At Lenoirville, N. C. Sept. 11 12 13 14 15

The Biggest Event Of The Year
DOORS OPEN TUESDAY, SEPT. 11, 10 O'CLOCK
For the biggest FAIR the county has ever known

Bigger exhibits than ever in all departments; premiums larger than ever; the biggest variety of free acts ever gotten together for a single county fair.

'The Clark Sisters' aerial iron jaw performers; the serpentine dance in the air; the Roman swinging ladder--a European act by Miss Bessie Clark.

The death-defying slide-for-life by Miss Sadie Clark.

"Texas Joe" the world's greatest Australian whip cracker and manipulator--cutting objects in different positions with his whip; firing a 45-caliber gun with the lash of 60-foot whip.

The free acts will be given twice daily.

Balloon ascensions daily.

Big display of fireworks every night. These displays have been designed especially for us. Don't miss a one--they are great.

The Smith's Greater Shows combined will furnish the midway attractions and you can feel assured that everything is clean and refined, as the Smith's Greater Shows have this reputation all over the U. S. A.

Come; bring the whole family. There is something to please everybody. Rockingham
