CAVALRYMEN FOLLOW VILLA INTO STATE OF DURANGO; BANDIT FAR AHEAD, STATED TO BE HEADING FOR THE CAPITAL CITY

Reception He Will Get From Arrita Brothers at Head of Carranza Troops Problematical—Americans Arriving From Mexico Say Carranzistas Stepped Out of Way of Outlaws After Defeat at Guerrero—Will Take Another Dash to Catch the Tiger, Believed—All Reports Indicate That Pursued Is at Least a Day's Ride Ahead of Pursuers—Officials Still Optimistic Over the Outlook

(By the United Press)

El Paso, April 11.—United States cavalry are reported to have crossed into Durango State, with Villa far in advance, rapidly nearing Durango City. Americans arriving here from Chihuahua City today denounced the Carranzistas, saying they stepped out of Villa's way after the Guerrero fight. How the Carranzistas, under Aerrita brothers, will treat Villa, is a problem. Some reports say they have entrenched against Villa, being his personal enemies.

Will Take Another Dash to Capture Villa.

Washington, April 11.—A duplication of Dodd's dash which routed the Villistas at Guerrero is necessary if Villa is to be overtaken. Army men believe the cavalry is equal to the task. All reports agree that Villa is a day or more ahead of Pershing's riders, but officials regard the trail as still "warm," and still predict the punitive expedition to be nearing a success. The report of Salazar's disaffection is regarded as a border rumor.

CABINET WILL TAKE NO ACTION AGAINST BERLIN TILL FRIDAY

Members Convinced of Submarines' Guilt, But Waiting for Evidence

ALL DATA IN FEW DAYS

Next Meeting May Find Administration Taking Steps for Definite Formation of Attitude Toward Imperial Government

By ROBT. J. BENDER, (United Press Staff Correspondent)

Washington, April 11.—The Cabinet today resumed consideration of the tangled threads of the submarine issue. Despite his cold, the President, who was much improved, decided to hold the session.

Secretary Lansing submitted the evidence to date. Officials are still convinced that despite Germany's expected denial, German submarines were responsible for the Sussex, Manchester-Engineer and other attacks in which American lives were jeopardized. However, feeling continued that this country must wait for the arrival of evidence sent on the liner St. Paul. This is expected to reach here Thursday or Friday, and be submitted to Friday's cabinet meeting. By that time, also, Germany's informal reply is expected, and it is believed all will be considered together Friday and at least preliminary steps for some definite formation of attitude taken.

BATTLE AT VERDUN FIERCEST OF GREAT CAMPAIGN TO DATE

Fighting Bids Fair to Become Indescribable—The French Holding Out—Awful Waste of Men—Climax Today

(By the United Press)

London, April 11.—Under the most tremendous hammering in the world's history, the French line is holding in the great battle raging around Verdun. Wave after wave of Germans are rolling up against the French barricades on a six-mile front northwest of Verdun.

The French are driving the attacks back. Savage hand-to-hand fighting follows each storm of bursting shells that wreck a parapet or redoubt. The battle hourly is growing more desperate. It is believed that it will soon culminate in indescribable general fighting on both banks of the Meuse. English authorities believe that if the French hold this time, Verdun will be saved beyond doubt.

A Paris official statement says the Germans have lost 200,000 more men. A German official statement today announced 36,000 captives.

French Official Report. Paris, April 11.—Attacking Dead Man Hill with liquid fire, the Germans captured small fragments of French trenches in furious fighting last night, the war office today announced. At every other point the attack was repulsed.

Report From Berlin. Berlin, April 11.—The capture of more French positions northeast of Verdun and southwest of Fort Douaumont is announced by the war office. The Germans took over 200 prisoners in breaking up a counter attack on the east bank of the Meuse, south of Crows' Forest.

Kenyon Resolution Passes Unanimously—Western Oil Jobbers Declare Sherman Law Is Not Effective and Demand Action

(By the United Press)

Washington, April 11.—The Senate today unanimously passed the Kenyon resolution directing Attorney General Gregory to send a full report of the investigations of the Standard Oil and other oil interests charged with boosting prices and fixing discriminatory costs. The passage followed the reading of the charges by the Western Oil Jobbers' Association, which declared suing for dissolution to be an absurd failure and demanded that Congress make the Sherman law effective or abandon it altogether.

CONGRESS IGNORANT ON DEFENSE, SAYS

Washington, April 11.—Congress has been unable to frame a proper defense program because it does not know, and cannot learn the real navy weaknesses, Representative Gardner today told the Navy League. He condemned Secretary Daniels for "hoowinking the public." Perry Belmont advocated universal service, and a permanent military commission.

EDUCATIONAL AWAKENING

Told About by Speaker, One of State's Noted Men—Number Kinstonians In Attendance—Dunn Girl Gets Declamation Prize

(Daily Free Press, April 11)

The schools of the Grainger group held their commencement at the model Grainger school today, with the largest crowd to yet attend one of the commencement present. A large party of Kinstonians were on hand, including Judge Bond of Superior Court and the court officials and education authorities. All six of the schools in the group, Grainger, Bethel, Barwick's, Dunn, Sharon and Sand Hill, were represented. There were more than 500 teachers, pupils and spectators present.

A declamation contest was held this morning after 10:30, at which time the exercises were begun, but most of the program, including the usual story-telling and athletic contests and musical program, was left over until this afternoon. A great dinner was served at the school. Miss Mildred Jackson of Dunn school won the declamation medal, awarded by Mrs. Broadway of Grainger, and presented by Dr. B. W. Spilman of Poe.

Dr. Clarence Poe, one of the State's best known and most learned men, was the principal speaker. He was introduced by Mr. John E. Cameron, one of the most progressive men of the Grainger section and a staunch friend of education. Dr. Poe's subject was "The Upbuilding of North Carolina and Lenoir County." He dwelt upon the educational awakening in the State and county and pled for furtherance of the community spirit.

Mr. H. L. Pate, La Grange, R. 3, Monday.

Last night at 9 o'clock the first day's race for the Honor Roll and the special prize to an end. Many of the candidates and their friends seem to realize the importance of the Honor Roll, especially the initial position, and all accordingly made an unusual effort to place their favorite candidate in the coveted position. The result was a landslide of voting all of the day. The Winner. After the returns were all in and the count finally checked up for the Honor Roll, it was found that Mr. H. L. Pate of R. F. D. 3, LaGrange, carried away the first honors. In thus succeeding, he places his name on the Honor Roll and wins the special prize, a two-pound box of Lowney's Chocolates, furnished by Skinner's, at 127 N. Queen street. Other Good Reports.
