

BEST MEETING EVER HELD BY LENOIR CO. POLITICIANS, SAYS

Clerk Heath Declared Initial Campaign Rally at Sand Hill Was Daisy

LONG-WINDED ELOQUENCE

Poets and Peasants and Pink of Perfection Pigs—Campaigners at Kennedy's Mill Wednesday—Neuse on Thursday

(Daily Free Press—11th)

At Kennedy's mill Wednesday the second "meeting" of the Democratic canvass in Lenoir county was held. The attendance was large. Most of the county nominees were present. The third rally will be held in Neuse township Thursday, after which comes a respite until the 20th. Then will there be something doing, and most every day thereafter leaving out Sunday and legal holidays, such as circus days and the like.

At the opening session in Sand Hill township Tuesday the finest meeting ever held in the county was pulled off, in the belief of Clerk of Superior Court Jesse Heath, whose office is not to be filled at this election and who can be depended upon not to let his enthusiasm run away with him, whether or no.

Clerk Heath says the speakers Tuesday did their very best. Individual times were:

"Register of Deeds C. W. Pridgen, one hour.

"Sheriff A. W. Taylor, intermittently, 20 or 30 minutes.

"Col. W. D. Pollock, two and one-half hours.

"Chairman of Commissioners Churchill, 10 minutes.

"Heath, two minutes."

The statements of some of the speakers do not coincide with Mr. Heath's estimates.

Sheriff Taylor was master of ceremonies. He introduced all the speakers. While Mr. Pridgen was on the road still some distance from the scene, his fellow official was glorifying him and promising that he should say most excellent things. Colonel Pollock saw the Register in the distance—a mere speck against the landscape, and beckoned frantically. The Robert Emmett of modern spell-binding arrived in time to prevent an embarrassing lull in the program.

The audience missed their adored Uncle Johnny Dawson. The good County Treasurer was absent on account of other matters of importance to him. Mr. Dawson will be present at some of the various meetings, it is hoped.

A barbecue was served. It was no ordinary barbecue, most all said; compliments were profusely rendered to the Lenoir county pig.

INTERNATIONAL NEWS

BARRED FROM ENGLAND

London, Oct. 11.—For "continued garbling" of reports, "false statements" and repeated "breaches of faith," the International News Service, an American organization, has been officially denied the use of all facilities for the transmission of news in the United Kingdom.

PEACE THAT PASS'N UNDERSTANDING OF KAISER IS DEMAND'D

London, Oct. 11.—Premier Asquith received a tremendous ovation in the House of Commons today when he declared in the midst of a speech moving for a \$1,500,000,000 war credit, that "this war cannot end in patched-up, precarious, dishonoring compromise, masquerading under the name of peace. The Allies are not vindictive but will demand from their enemies full reparation for the past, and security for the future. This is not a moment for faint-hearted, hesitating councils. Billions of expatriated dollars are twenty-three million dollars."

French Gain in West—Teuton Gunners Busy—General Foch's Men Progress With Grenades—Germans Lose a Village

(Daily Free Press—11th)

London, Oct. 11.—The British are within two miles of the Greek city of Seros, says an official statement.

Allies Gain in West. Paris, Oct. 11.—South of the Somme where a successful blow yesterday carried the village of Bouvent and tightened the French noose about Chaulines, Foch's troop today further progressed in grenade operations, it is officially said.

More Artillerying. London, Oct. 11.—German artillery was more active last night on the Somme front, according to General Haig.

Vanant Serbs Win. London, Oct. 11.—The Serbs and Bulgars are battling fiercely for possession of Chuka Heights, absolutely dominating the city of Monastir.

The capture of the heights would be followed by the fall of that town. On the right wing the British are driving the Bulgars back upon the Debar-Tsar-Sores Railway, objective of the present advance. Eight villages and a number of prisoners have been taken in the British offensive. The fighting in Dobrudja is deadlocked.

Berlin, Oct. 11.—Bavarians under General Von Kraaft, after capturing Red Tower Pass, have marched southward and invaded Roumania from the North, for the first time since the beginning of the war, says a semi-official report.

The first and second Roumanian armies that invaded Bulgaria have been annihilated by the Austro-Germans who are sweeping the enemy back upon their frontier.

Little Doing in Dobrudja. Petrograd, Oct. 11.—Only artillery exchanges and scouting operations are occurring in Dobrudja, it is officially said.

KELSEY, LITTLE KNOWN HORSEMAN OF KINSTON DIES IN GOLDSBORO

(Daily Free Press—11th)

M. A. Kelsey, a veteran horse trainer who had been making his headquarters here for 10 or 11 months, died at Goldsboro late Tuesday.

Kelsey had been in poor health for several months, apparently. It is believed that he was afflicted with kidney trouble. He went with horses from Rocky Mount to Goldsboro, where racing is in progress at a fair, and when the train arrived in the Wayne county town was too sick to get off the car unaided. He died shortly after arriving.

Kelsey was apparently about 60 years of age. He was an experienced horseman and is thought to have followed the ponies on many circuits. He was of a retiring disposition and loved least to talk about himself. To most people he was just Kelsey. He is believed never to have married. It is understood that he has a brother in the Middle West, of which section he was a native, but the address is known to no one here so far as can be learned. The relative is said to live either in Illinois or Indiana, and to be in comfortable circumstances. No search through Kelsey's effects kept at the local fair grounds, had been made up to Wednesday afternoon. Both the Coroner and the Sheriff were out of the city. It has not been determined what disposition will be made of the remains.

CAR TURNED TAUBE AND TURTLE; MAN'S ESCAPE A 'MIRACLE'

Mr. E. A. Walters, a traveling salesman working out of this city, had a narrow escape from death when a runabout which he was driving went off the bridge over Stoney Creek, in Wayne county, Tuesday night about 8 o'clock, landing bottom-up in about three feet of water. Walters escaped with only trifling scratches on his hand, it is said. The car, owned by his employer, Mr. H. C. Hines of this city, was not greatly damaged.

WOMAN AND CHILDREN MAKE GOOD LIVING ON TOY FARM NEAR HERE

Mrs. Tillie White, who with her brood of four children lives on a little farm near Wheat Swamp, told a banker here that she had cleared \$275 from their tobacco patch. She has just sold the last load. The field contains just three-quarters of an acre.

Things did not go smoothly in the White family before they went on the farm not long ago. This year Mrs. White has made money. She has a bank account. The facts are eloquent.

A SAFE TEST.

For those who are in need of a safe test, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Kinston people.

L. B. Higgins, baker, 115 S. Tryon St., Kinston, says: "I have used Doan's Kidney Pills with very good results and consider them a splendid kidney medicine. Another of my family also suffered from weak kidneys and dull pains across the back and loins. This one had headaches and dizzy spells and the kidney secretions were irregular in passage. Doan's Kidney Pills gave relief from the troubles."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Higgins had. Foster-Milburn Co., Buffalo, N. Y.

No Misunderstanding the Meaning of Words Used In Reply to Submarine Memorandum—America Acts to Suit Self

Directors of Antiques and Curios Department Say "Nothing Brings Colonial History Closer to This Generation"

(Daily Free Press—11th)

Washington, Oct. 10.—The text of the American memorandum replying to that of the Allied governments regarding treatment of belligerent submarines in neutral ports, is in part, as follows:

"The Allied governments hold that 'submarine vessels must be excluded from the benefit of the rules heretofore accepted under international law regarding the admission and sojourn of war and merchant vessels in neutral waters, roadsteads or harbors; any submarine of a belligerent that once enters a neutral harbor must be held there,' and, therefore, the Allied governments 'warn neutral submarines attending the navigation of waters visited by the submarines of belligerents.'"

"In the opinion of the government of the United States the Allied powers have not set forth any circumstances, nor is the government of the United States at present aware of any circumstances, concerning the use of war or merchant submarines which would render the existing rules of international law inapplicable to them."

"In view of this fact and of the notice and warning of the Allied powers announced in their memoranda under acknowledgment, it is incumbent upon the government of the United States to notify the governments of France, Great Britain, Russia and Japan that, so far as the treatment of either war or merchant submarines in American waters is concerned, the government of the United States reserves its liberty of action in all respects and will treat such vessels as, in its opinion, becomes the action of a power which may be said to have taken the first steps toward establishing the principles of neutrality and which for over a century has maintained those principles in the traditional spirit and with the high sense of impartiality in which they were conceived."

STATE FAIR FEATURE WILL BE DOMENJOS, NOTED SWISS AIRMAN

(Special to The Free Press)

Raleigh, Oct. 11.—Secretary Joseph Pogue has received a letter from Secretary Taylor of the Interstate Fair at Trenton, New Jersey, one of the greatest State fairs in the country, if not the greatest in many respects, cordially endorsing the work recently done there by Jean Domenjos, the famous Swiss aviator, who has only recently arrived in this country from Brazilian and Argentine cities. Mr. Taylor says that "during the last ten years we have probably had the best of all the fliers, but I want to say right here that the flying of Domenjos during the week just passed was the most sensational I have ever witnessed, and especially his flight of Thursday morning."

The startling performer has done things that other now dead aviators tried to do one time too many.

Domenjos is the first man to ever get over the Andes, and he will use a Bleriot in Raleigh at the State Fair, just as he did when looking at the top of the earth along the great South American range. The Bleriot is the machine today very largely used by the French in their air battles with the Germans. It is a lighter and swifter machine than the German, although not so stable for that very reason. Still the Bleriot now so famous in world war history is the best product of France, and it will be interesting to most North Carolinians who have been reading of this type of plane without ever having seen one.

Here's a Good Way to Stop Loss of Hair and Start New Hair Growth. If the hair root is absolutely dead, permanent baldness will be your lot, and you might as well cheer up as to bemoan your fate.

If your hair is falling or thinning out, don't wait another day, but go to J. E. Hood & Co. and get a bottle of Parisian Sage, the truly efficient hair grower.

Don't say, "It's the same old story; I've heard it before," but try a bottle at their risk. They guarantee Parisian Sage to grow hair, to stop falling hair, to cure dandruff and stop scalp itch, or money back.

Parisian Sage contains just the elements needed to properly invigorate and nourish the hair roots.
