LOSS OF VOICE After Acute Bronchitis CURED BY USING

ER'S Cherry Pectoral

A PREACHER'S EXPERIENCE.

"Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms. and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's 'Cherry Pectoral."-E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

The venerable doctor was accuscomed to lead the morning exercises in the chapel every day, and during the exercises he gave out the notices to the students. The closing exercise was a fervent prayer by the doctor.
