"Some years ago, as a result of too close attention to business, my health failed. I became weak, nerveus, was unable to look after my interests, and manifested "Il the symptoms of a decline. I took three bottles of Ayer's Sarsaparilla, began to improve at once,

and gradually increased my weight from one hundred and twenty-five, to two hundred pounds. Since then, I and my family have used this medicine when needed, and we are all in the best of health, a fact which we attribute to Ayer's Sarsaparilla. I believe my children would have been fatherless to-day had it not been for Ayer's Sarsaparilla, of which preparation I cannot say too much."-H. O. Hinson, Postmaster and Planter, Kinard's, S. C.

John M. Palmer is six times a bolter, it appears. His first bolt, it is stated, was from the Democratic party; his second from the Illinois Republican caucus which nominated Lincoln for the United States Senator; his third from the army of the United States, in front of Atlanta, from pique at Tecumseh Sherman; his fourth from the Republican nomination of Grant in 1872, and his fifth from the Populist platform he endorsed at Springfield in 1891. Four Suits for Damage.

Among the damage suits that in the Roseboro express robbery Can a judge terrorize the press of case, is bringing suit against the name of the State, yet he thinks the Southern Express Company was behind it, and he accordingly askes damages of that company. Summons has been served upon the agent of the company at Clinton, Mr. J. B. Merritt, but the complaint has not yet been filed. It is rumored that damages will be asked in the sum of \$50,000 This is probably putting the figures higher than they will appear in the complaint.
