Triangle Talk.

TRIANGLE, N. C., June 3.—Owing to so much rain our farmers have been somewhat retarded in their farm work. Almost all the corn that was planted on the Catawba river will have to be planted again and will be very late.

We are sorry to chronicle the death of Mrs. Joe Armstrong, of Miller's. Her remains were brought to Unity church for interment Monday. She was formerly of this place.

Mr. H. C. Kegan is on the sick list this week.

Miss Minnie Long is also ill. Miss Zettie Dellinger, who is suffering with paralysis is reported to be very low.

Some of our boys attended commencement at Davidson College May 29th. They say they had a pleasant time.

Miss Claude Graham was visiting at Mr. S. W. Prim's Thursday.

Miss Laura Long was at J. A. Long's Tuesday.

Messrs Simon and John Barker, who have been attending school at Taylorsville came back to their home on the Catawba Thursday.

The Children's Day service Sunday night at Salem was an enjoyable affair. Quite a large crowd attended.

Our sportsman, Mr. A. P. Black, killed a large crane last week. He said it had a "long" neck.

Mr. Robt. Nixon made a house-covering Wednesday. He had a new roof put on his store building.

Mr. Lawrence Hager went to Davidson Thursday on business.

As no one answered my question through THE JOURNAL as to what causes thunder. I will give the answer; "Thunder is caused by a sudden displacement of the particles of air by a current of electricity passing through it."

Triangle ball team has two match games scheduled for the near future—one with Davidson and one with Stanley.

Wheat is in full head around here and bids fair to make a full crop.

If there is a prize for sporting, some of our young people should be awarded first honors.

Miss L. B. Long went to Harvey Sunday to visit friends.

Mr. Robt. Armstrong has been at Millers for several days.

On Sunday night Miss Otta King eloped with Mr. Ivey Hager and got married. The young lady is a daughter of Mr. Haywood King and is very popular and good looking. The young man is a son of Mr. Julius Hager and is an honest, up-right young man. Both are of the best families. The parents opposed the match and forbade Mr. Hager to see Miss King, consequently elopement was the only alternative.

Important to Pensioners.

In answer to inquiries in regard to pensions, I wish to make the following statement:—

In the first place, all persons desiring a pension must make application to their County Board on the first Monday in July. This includes all who are now drawing pensions and all who wish to get on the roll. Blank application can be had of the Clerk of the Court and may be filled in before the first Monday in July, or on that day. Heretofore, no soldier could receive a pension unless his disability was caused by a wound. The new law changes this and allows any old soldier, who is unable to perform manual labor, whether he was wounded or not, and all widows who were married before April 1865 to draw pensions. But no soldier or widow can draw a pension who has property, the value of which is over \$500.00.

First class pensioners are to get \$75.00 per year; 2nd class \$70.00; 3rd class \$48.00, and 4th class and widows \$30.00.

While the Committee wished to do all they could for the old soldiers and widows, they thought, as the soldiers and their descendants had the tax to pay, it was all we could do at this time. The amount appropriated for pensions was \$300,000, which is about twice as much as last year.

J. F. REINHARDT,
Chairman Pension Committee.

Charged with deserting wife and children, collecting insurance money on proof of his wife's death, and committing bigamy. Will J. Tyson, a young white man, a carpenter by trade, is behind the bars in Wake county jail awaiting the day of trial. Tyson married his second wife in Raleigh after he had collected the insurance on the life of his first wife, whom he falsely represented as dead after he had deserted her and the five children she bore him.

End Foster, colored, who killed a white man in Franklin county a few weeks ago, has surrendered to the officers and is in jail.

Reepsville Reports.

REEPSVILLE, N. C., June 4.—It is now the first week of June and many of our farmers have not worked over their crops the first time yet.

The Supreme Court handed down its decision last week in the case of Wise against Leonhardt. It declares that Sallie Wise, and Camden Leonhardt's children are the rightful heirs to the lands of "Larry" Leonhardt, deceased. Leonhardt was married twice and at his death one of the children of his last wife claimed that all the land belonged to him for paying taxes on it when it was advertised to be sold for taxes. Sallie Wise, one of the first children, entered suit against him for an heir's part and the case was fought through two courts. The Supreme Court's decision was that none of the children by his last wife could share an interest by the way it was willed. The land lies near here and contains about 200 acres.

About one half of the necessary amount has been subscribed for a library for this school district. Another such opportunity to secure a small library will never be presented and surely our people will not let this one pass without taking advantage of it. Any friends outside of the district wishing to contribute anything towards it, can send it to this writer, or J. W. Warlick and it will be thankfully received.

Mr. J. R. White, formerly of this community but now of Oxford, Mississippi, attended the Reunion in Memphis last week. He sent this scribe a Memphis paper containing an account of the Reunion and portraits of distinguished Confederate generals. Among the latter we notice the picture of that gallant Lincolntonian, Gen. R. F. Hoke.

Mr. J. R. Warlick, our bustling insurance agent is with the tax-lister of Ironton township this week writing policies.

There will be preaching in the school house here Sunday evening by the pastor of the Baptist church here, the church not being completed yet.

There will be a picnic at P. W. Ramseur's Tannery Saturday evening.

D. A. Coon has a cow that gave birth to two calves last week. Both are doing well and promise to live.

Messrs Lum Heavener and Cass Coon attended an "apron hemming" in Plateau Saturday night and they say they had an immense time.

Esquire Philip Carpenter is around this week listing taxes.

The health of this section is very good.

How many inches does it take to make a broad grin?

Sergeant Harvey Jetton, of the Charlotte police force, sent his little nephew, Carlton Jetton, a fine bull dog pup last week.

HUSTLER.

Bad Runaway.

On last Sunday, June 2nd, a young gentleman from the city of Hickory, by the name of Fields, was going from Palm Tree church to Plateau with a young lady who was visiting her sister, pastor Sherrill's wife, Miss Rogers. Arriving at the creek at Jacob Mull's, Mr. Fields got out of the buggy and took off the bridle to let the horse drink, holding the horse by the mane. The horse by some means became frightened and ran backward, jerking loose from Mr. Fields, and then ran past him. He caught the horse by the harness but was powerless to do anything, and getting his leg bruised considerably. He told the young lady to jump out, which she at once did, but in jumping she partly fell and the buggy wheels hit her, bruising her badly. The horse ran about 200 yards and lodged the buggy on a sapling and ran a mile and a half and was caught by M. M. Lutz and wife, who immediately sent a man with the horse to hunt for the wreck. In a few minutes after Miss Rogers was hurt, Rev. Sherrill came on and took her to Plateau, where we know that everything that could be done by a loving sister and family and kind friends for her comfort and recovery was done. SCRAPPY.

An unknown negro woman was discovered in the act of taking the life of her two days old infant in Greensboro Friday. She carried the infant to an old field in the suburbs and tied a stout cord around its neck and legs. Before she could complete the work of destruction she was discovered by a negro man who chanced to be passing. Dropping the babe to the ground, the woman ran and escaped. The child was not seriously injured and is still living.

It is said that the Gattis Kilgo case will come up for trial at Granville Superior Court in July, Judge Shaw presiding. It is also said that Messrs Frank I. Osborne, of Charlotte, and Clement Manly, of Winston, have been retained for Dr. Kilgo's side of the case. There is talk that an effort will be made to secure the removal of the case from Granville county.

The Platonic Love Letters of Charles Dickens.

For more than fifty years an English woman (who is still living) has cherished a little sheaf of letters written by Charles Dickens. These charming letters show the novelist in a new part—that of the successful matchmaker. They tell the story of her man's courtship and show how the writer spurred a faint heart into winning a fair lady.

They will be printed—for the first time—in The Saturday Evening Post for June 15.

At Lookout, Modoc county, Cal., Calvin Hall, his three sons and a young man living with Hall, were arrested for horse stealing. Thursday night the five men were taken from custody by a mob of about 50 persons and all were hanged.

Monday afternoon at the mines of the Dayton Coal & Iron Co., located at Dayton, Tenn., there was a terrific explosion of dust, gas or fire damp in the Richmond mine about two miles from Dayton. Probably 35 people were killed and many injured.

IMPORTANT

HOUSEKEEPERS.

Why continue to complain and worry about the poor COFFEE you get, while I can sell you a GOOD BLEND COFFEE, which is not too strong, but full bodied, fragrant and aromatic in the cup? This Coffee is properly roasted, and, if you wish it, ground.—Twenty-five cents per pound may seem a little expensive, but a trial will convince you this is COFFEE, and not stuff. If you will give me your orders I will grind this coffee, and deliver to you certain days in the week or every day if you prefer.

I have other Roasted Coffee at 10, 12 1-2 and 15 cents per pound.
