Cleanse the System
 With that most reliable medicine—Paine's Celery Compound. It purifies the blood, cures constipation, and regulates the liver and kidneys, effectually cleansing the system of all waste and dead matters.

DO IT NOW

Paine's Celery Compound
 combines true nerve tonic and strengthening qualities, reviving the energies and spirit.

"I have been troubled for some years with a complication of difficulties. After trying various remedies and attending relief, I tried Paine's Celery Compound. Before taking one full bottle the long troublesome symptoms began to subside, and I can truly say now, that I feel like a new man. Digestion has improved, and I have gained ten pounds in weight since I have commenced taking the compound."

FORCED SALES.

In order to reduce my large Stock of Cashmeres and Jeans, which embraces the best assortment in all grades. I have decided to "Cut the Price" to a mere INCREASE OVER COST. This includes the entire line, and it will prove a "big bonanza" to large families who have not yet made their Winter purchases. On any and all Dress Goods, I will sell at a reduction of from 10 to 25 per cent. Dress Buttons, about 1500 dozen, worth from 10 to 20 cents per dozen, shall all go to the uniform price of 5 cents per dozen. My Stock of Clothing exceeds anything in the county, and the fact that I sell double the amount of any other house is the best assurance that my prices are the lowest. Any style and quality for Children, Boys and Men, constantly on hand or will be supplied at short notice. A new lot of Overcoats has just come in and I am ready to supply the wants of either Men and Boys.

Special sale of Carpets at 15 cents worth 25 cents.

Business will be generally suspended on Thanksgiving day and my store closed.

Come and see what a quantity of goods you can buy for a little money.

I now have a small quantity of Plaids for the benefit of customers.

Respectfully,
 JOHN L. COBB.

REMARKABLE RESCUE.

Mrs. Mitchell Curtis, Plainfield, Ill., makes the statement that she caught cold, which settled on her lungs; she was treated for a month by her family physician, but grew worse. Her husband was a helpless victim of consumption and that no medicine could cure her. Her druggist suggested Dr. King's New Discovery for Consumption; she bought a bottle and to her delight found herself benefited from the first dose. She continued its use and after taking ten bottles, found herself sound and well, now does her own housework and is as well as she ever was. Free trial bottles of this Great Discovery at Dr. J. M. Lawing's Drug Store, large bottles 50c and \$1.00.

Who are the leaders of the respectable Republican party nowadays? Not One of that party who is not a more politician look upon Messrs. Quay, Dudley, Clark, or Mahone, or Foraker, or Platt, or even the great and good Wau-maker himself, as men who can either be trusted with the honest administration of affairs, or be followed as safe and honorable leaders. Of course, none look on Mr. Blaine in any such light at all. Who then fills the bill?—*Central New Jersey Herald, Democrat.*

Mercurial Poison.

Mercury is frequently injudiciously used by quack doctors in cases of internal and blood poison. Its after effect is worse than the original disease. B. B. B. (Botanic Blood Balm) contains no mercury, but will eliminate mercurial poison from the system. Write to Blood Balm Co., Atlantic City, for book of convincing proof of its curative virtue.

A. F. Brittain, Jackson, Tenn., writes: "I caught malaria in Louisiana, and when the fever at last broke, my system was saturated with poison, and I had sores in my mouth and knots on my tongue. I got two bottles B. B. B., which healed my tongue and much and made a new man of me."

Wm. Richmond, Atlanta, Ga., writes: "My wife could hardly see; Doctors called it syphilitic tinitis. Her eyes were in a dreadful condition. Her appetite failed. She had pains in her joints and bones. Her kidneys were deranged also, and no one thought she could be cured. Dr. Gilliam recommended B. B. B., which she used until her health was entirely restored."

K. P. B. Jones, Atlanta, Georgia, writes: "I was troubled with copper colored eruptions, loss of appetite,
