LINCOLN COURIER :- I will give you a few dots from this part of the country.

Warm weather. Plenty of rain. Wheat looks fine. Cotton planting is in progress.

There were eight persons bit by a mad cat a few weeks ago, and one little girl by a mad calf.

The farmers are planting more corn this year than they did last. I

say hurrah for them. The farmers are generally up with their work. I was born in North Brook town-

ship, Lincoln county, N. C., and moved from there in 1881 to Brownstown, Sevier Co., Ark. Sevier county is beautifully situated about 600 feet above the sea level. It has fine land, fine torests, and good water. And good schools, good churches, and good moral people. It is a rate

thing to see a man druck. There isn't a saloon in the county and the nearest one is ten miles off

The Sunday School was organized at Trinity last Sunday, M. M.

Lutz, Supt. We wish it success. The Communion meeting will be held at Trinity the 3rd Sunday in May, and a preparatory service will be given on Saturday previous, by Rev. J. A. Rudisill.

Mr. Laban Rudisill had the misfortune to lose his mare. He went out one morning last week to plow, and while plowing, the mare dropped dead. We were all sorry to hear of it, as this is a very busy season of the year.

It is now thought by some promimany years be the garden spot of

North Carolina. Hog Hill is noted

for its health and delicious fruits.
