Administrator's Notice.—P. W. Ramsaur. —Mrs. S. P. Sherrill is on a visit to Asheville. —Rev. W. R. Wetmore is spending a few days at Cleveland Springs this week. —Mr. Fleming Ramsaur has received a new steam "peanut roaster" at his saloon. —We were glad to have a visit this week from our friend, Mr. J. C. Marsh, of Rameur, N. C. —Mr. W. A. Eudy, who has been at home for several days, returned last Monday to Columbia. —Dr. Thos. Costner, of Mr. Holly, was in Lincoln this week. We appreciated a pleasant call from him while here. —Miss Angie Caldwell, of Memphis, Tenn., has returned to Lincoln to spend some time with relatives and friends here. —Died in Gaston county last week, Mr. David White, son of Thaddeus White. His death was caused by typhoid fever. —Mr. W. D. Shell, of Beulmond, Ark., returned home on a visit this week to his parents in this county. He will probably remain at home for some time. —Mr. Charles Motz, who was wounded in the tragedy last Saturday a week, has sufficiently recovered to go to jail, and was taken there last Wednesday. —We appeal to the town authorities to have our back streets cleaned up. The growth of weeds and bushes is a disgrace. Let us have a clean town if possible. —Mr. E. H. Cauble and hands have begun work on the old "Alexander" house recently purchased by Judge W. A. Hoke. Considerable improvements are to be made on this property. —Our subscribers will please excuse us for insisting on payments of subscriptions at this season of the year, but we are compelled to have money and we must try to collect as much as possible. —Mr. W. H. Speck and wife, of Palatka, Fla., visited Lincoln this and last week. Mrs. Speck will remain here for a few weeks, and will be accompanied on her return by Miss Jessie Alexander. —Died, on 15th inst., in Mountain Creek township, Catawba county, Mary Gabrielle Jones, about 36 years of age. The deceased died of cancer in the mouth and throat. It is said that she literally perished to death. —Died at Statesville on the 8th inst., Mrs. Eliza Furcher, wife of Hon. D. M. Furcher. She was a sister of Mrs. W. R. Wetmore of this place. The Landmark speaks of her in high terms as a lady of admirable character. —Mr. Zad. Johnston, son of Rev. R. Z. Johnston, of this place, has received through Col. Cowles the appointment to the naval school at Annapolis. He left last Wednesday for that point to make ready for the examination in September. —The Atlanta Constitution and King's Mountain News may find "some people" living, hale and cheerful many years yet to come, though the informants of these journals report "those people" now ready to die under the cares of this life. —Rev. L. J. S. Carpenter, son of John Carpenter, of Indian Creek, left this week for Dovesville, Va. Mr. Carpenter has just recently entered the Lutheran ministry. He accepted a call at the above point. We wish him great success in his new field.

—Garland, the little son of Mr. G. M. Foard, of Olin, was choked about six weeks, and last Sunday week he coughed up a chicken bone and died after much suffering the Tuesday following. He was one year and five days old.—Statesville Landmark. —We very much regret that we could not supply the great demand for extra copies of last week's COURIER. We printed a considerable number of extra copies, but these were all sold soon after the papers were sent to the post office. We could easily have sold 300 more. —We want some citizen of Lincoln who is opposed to bonds to furnish us a list of towns in Western North Carolina that have not voted bonds for any kind of public improvements. We want also a list of dead towns that have voted and issued bonds for public purposes. —Mr. R. W. Farr, recently proprietor of the Lithia Inn, and his excellent family, expect to leave Lincoln this week for Johnston City, Tenn., at which place they will take charge of the "Hotel Carnegie." Mr. Farr and family made many warm friends here and we are all sorry to see them leave. —We think it is the duty of the town authorities to establish and properly prepare side walks on all streets where that has never yet been done and then let the owners of the property keep them up thereafter. As for the writer, he proposes to work his own so far as it extends, first and last. —We are sorry to inform our readers that Rev. M. L. Carpenter, one of our most highly esteemed citizens and a most worthy minister of the gospel, left this week for Woodstock, Va., at which place he has accepted a call to preach. Rev. Carpenter will be greatly missed by his hosts of friends, especially in Lincoln and Gaston counties. —There will be a grand Alliance meeting held at King's Mountain on next Wednesday, July 29. Col. L. L. Polk, president of the National F. A. and I. U., and Hon. Jerry Simpson, of Kansas, and other distinguished speakers will address the people on the "great reform movement." Special rates on railroads. A great crowd is expected on that day. —Rev. J. L. Murphy, Pastor of the Reformed Church in Hickory, and Miss Essie Carpenter, daughter of L. A. Carpenter, of Maiden, were married by Rev. J. A. Foil, at the bride's home on Wednesday, the 8th inst. The good wishes of numerous friends, and the prayers of the Church, are for long, happy and useful life to them.—Press & Carolinian. —Died of typhoid fever in this place last Saturday, July 18, 1891, Mr. Preston Bynum, son of Rev. W. S. Bynum, and grandson of ex Judge W. P. Bynum, of Charlotte. He was aged about twenty years. The deceased contracted fever at the University of N. C. over two months ago, was immediately brought home and was confined to his bed steadily until death relieved him of his suffering. He was a member of the Episcopal Church and the remains were buried at the cemetery of that church at 6 o'clock Sunday evening in the presence of a large concourse of people. The funeral exercises were conducted by Rev. W. R. Wetmore. —Died, at Hickory, N. C., on the 15th inst., of typhoid fever, after two weeks' sickness, Lula Sherrill, wife of William Marion Sherrill, and niece of our townsman, S. P. Sherrill. The deceased was 24 years of age, was a consistent member of the M. E. Church, South, and died in the faith of a happy immortality. She was buried at Mt. Pleasant church on Rock Spring circuit, on the 16th inst., the burial service being conducted by her uncle, Dr. J. A. Sherrill, other ministers all being absent from the community. She left a loving and devoted husband, and one child 8 months old. The bereaved husband, parents and friends believe their loss was her gain. —It is generally conceded so far as we can learn that the account in the COURIER of last week's issue of the recent tragedy, its cause &c., was as full and correct as could be given from the facts so far as they are known. If all the rumors about this whole affair from the beginning were published they would fill up a column of fabulous tales, any one of which would give the lie to the others. Newspapers, therefore, that take up certain of these rumors and accept them as facts from "good authority" and offer comment accordingly, may in the course of

time find themselves as far from the real facts on this occasion as they have been on other occasions. We know enough to know that the whole truth about the entire affair is and has been in such a shape that no one can get it with certainty until it is brought out by the courts. Teachers' Institute. Our teachers and our people who attended the Institute last week were highly pleased, in fact delighted with Prof. and Mrs. McIver and their work. Prof. McIver is an untiring and intensely earnest educator. His lectures were fraught with sound logic and common sense. His arguments for public education are irrefutable. His appeal for better facilities for the education of girls was irresistible. It is unfortunate that more parents do not hear these Institute lectures. People who are too "wise in their own conceit" and too much wedded to their old notions, cannot help but gather valuable ideas from such men as McIver, Alderman and others. The Institute closed last Friday with two able addresses by Prof. McIver, and several readings by his amiable and accomplished wife. The audience gave Prof. and Mrs. McIver a vote of thanks and appreciation for their entertaining and instructive exercises during the week. The following resolutions were heartily adopted by the teachers: Resolutions Complimentary to Prof. and Mrs. Chas. D. McIver. WHEREAS, Prof. Chas. D. McIver and wife have been holding an Institute in our county for the past week, and appreciating their efforts for the advancement of the cause of education in our State and county, we, the teachers of Lincoln county, adopt the following: Resolved 1. That we, the teachers of Lincoln county, N. C., do heartily appreciate the efforts of Prof. McIver and Mrs. McIver for their untiring efforts in the interest of public education. Resolved 2. That the teachers of Lincoln county hold in grateful remembrance the kindness of Mr. and Mrs. McIver, and wish them well in their all important work. Resolved 3. That these resolutions be sent to the LINCOLN COURIER with request to publish. COMMITTEE. There are 48 white districts in this county. The Institute was attended by 50 teachers. State certificates were issued to Walter R. Thompson and M. O. Carpenter. Resolutions Shelby District Conference. WHEREAS, The hand of remorseless death has recently removed from our ranks Brother S. C. Motz, delegate-elect to this Conference, therefore be it Resolved 1. That our church has lost a promising young man, a faithful officer in the class at Lincoln, and a Christian who was wielding his influence for good within the bounds of his large circle of acquaintances and friends. 2. That we tender to the bereaved family our sincere sympathy during their passage through this fiery furnace of sorrow, and commend them to a loving Father, who alone can lead them safely through, enabling them to meekly submit to the tragical death of their noble son and brother. 3. That these resolutions be recorded in the proceedings of the Conference and a copy sent to the family of the deceased, and to such papers for publication as the Secretary may select. J. F. AUSTIN, I. R. SELF, H. M. THOMPSON, Com. A Liberal Proposition. "Who has not heard of that paragon of family papers, the enterprising and popular Weekly Detroit Free Press? It is looked upon as a welcome visitor by every family who reads it, while thousands regard it as indispensable and would on no account go without it. An enormous circulation of 125,000 copies per week attests its wonderful popularity. Recognizing the fact that there are those who are unfamiliar with its surpassing merits as a home paper, the publishers offer to send the Free Press to them for the balance of this year (over five months) for only 30 cents—a club of four for \$1.00 or a club of ten for \$2.00. Send for free sample copy." Pay your subscription,

Signed, J. W. A. PAINE. Resolution adopted. Recess of one hour, during which everybody was invited to a Triangular table well loaded with good things, including an abundance of fresh fish and cat-fish soup. AFTERNOON SESSION. Secretary made his quarterly report; referred to Ex. Com. The Lincoln county F. A. Mutual Benefit Life Insurance Association ordered its treasurer to pay to this body the money borrowed at last meeting. W. A. Graham explained the above named Insurance feature to the Alliance. The place of next meeting was called for, and Lincoln, Laurel Hill and Bess' Chapel were put in nomination. Lincoln being with drawn, the vote was taken resulting in favor of Laurel Hill. The Ex. Com. reported as follows: We, the Ex. committee of Lincoln county F. A. beg leave to report that we have examined the books of Secretary, Treasurer, and B. A. and find them correct. We recommend that the Treasurer pay LeRoy Long the sum of \$5.55, his expenses as county lecturer to Lenoir. Also that the B. A. be paid \$4.50 out of Treasury for expenses and services one day going to and from Charlotte. We also recommend Bess' Chapel, Lincoln, Iron Station and Denver as suitable points for the District Lecturer. Respectfully submitted, A. LEE CHERRY, Ch'm, J. E. HOOVER, J. H. LUCKEY, Com. July 10, '91. On motion the report was adopted. On motion of W. A. Graham the communication of Bro. Barnes, State Sec'y, was taken from the table, and in relation of the same \$10 was donated to the State as educational funds. The election of officers then came up, in which nearly all the officers were re-elected. LeRoy Long was elected as delegate to represent Lincoln county Alliance in the State Alliance. Bro. Long was then called to the floor and made a roasting speech. The committee on arrangements made assignment of delegates, officers, and visitors. Bro. Sossaman, assistant editor of the Mecklenburg Times, made a short speech. On motion Bro. Graham was appointed a delegate to Mecklenburg county Alliance. On motion of R. G. Rutledge, the Pres't and J. W. A. Paine were each re-

quested to attend the Mecklenburg county Alliance. A resolution of thanks was voted Triangle Alliance and community for hospitality during this season. Adjourned to ten o'clock a. m. to-morrow. SATURDAY, 10 A. M. The L. C. F. A. met pursuant to adjournment. Music. Prayer by R. G. Proctor. Bro. W. A. Graham was called to the floor and addressed the large crowd upon financial reform, showing clearly that every panic since the formation of this government has been caused by a contraction of the circulating medium, and that relief has always come by an increase of the same. Music. Prof. Gray next addressed us in an able manner upon the general principles and good of the Alliance. Music. Recess of one hour and a half, during which everybody was again invited to that Triangle table loaded with all that heart could wish. AFTERNOON SESSION. Music. Speech by LeRoy Long. Music. Speech by J. P. Sossaman. Speech by J. Springs Davidson. Remarks by J. W. A. Paine. Music. Prayer by Rev. Mr. Moore. Adjourned to meet with Laurel Hill Alliance second Friday in October at 10 o'clock a. m. S. D. BURGIN, Pres., Wm. H. HOOVER, Sec. Southern Stars at Wrightsville. Ed. Courier.—The Southern Stars are occupying comfortable quarters on Wrightsville Sound and enjoying the sea breezes. The camp is the same one occupied in former encampments, but the name has been changed to Camp Fowle, in honor of the late Gov. Fowle. It is beautifully situated on an elevation amidst an oak and hickory grove, covered with long trailing moss, where we receive the full benefit of refreshing sea breezes. The camp is governed by strict Military discipline but during the intervals between drills and parade, opportunity is given the guard to visit places of interest. As the inhabitant of Piedmont North Carolina beholds the trees and grasses, the sound, the wide stretching ocean with great vessels riding on its bosom, or wherever he looks he sees something to interest and instruct. The Sea Coast Rail Road adds a great deal to the pleasures of the encampment. Wrightsville Sound is eight miles from Wilmington and the round trip fare for the soldier is twenty five cents. It runs across Wrightsville Sound on trestle work the distance of a mile to the hammocks. Over there is Ocean View Hotel, dancing pavilion, and various amusements. The boys gather shells on the shore, secure bundles of wild oats and grasses, and indulge in surf bathing. Tomatoes, melons, fruits and all kinds of vegetables are cheap and abundant. The Y. M. C. A. has a tent on the grounds in which religious services are held. It also has a well supplied reading room and furnishes free stationery. The State Guard is well represented here. Also have with us the first Virginia Regiment, about three hundred strong. The following members of the Southern Stars are here: Captain W. W. Motz; Lieutenants S. G. Finley and W. L. Kistler, Sergeants E. W. Ward, R. F. Godson, S. V. Goodson and A. Nixon; Corporal, R. H. Dellinger; privates, L. Guion, James Gheen, T. F. Cornwell, S. E. Mauney, F. F. Beal, A. M. Carpenter, Robert Stubbs, R. E. Costner, W. W. Noland, Carl Smith, Augustus Curry, Will Quickle, Will Wingate, P. O. Carpenter, J. J. Smith, A. L. Mauney, J. F. Heafner, L. S. Fox, A. L. Cauble, H. W. Cauble. SOUTHERN STARS. Don't be discouraged about the eczema till you have given Ayer's Sarsaparilla a persistent trial. Six bottles of this medicine cured the complaint for George S. Thomas, of Ada, Ohio, when all other remedies failed to afford any relief. Beef Every Tuesday. We will have beef on the streets in Lincoln every Tuesday morning. WHITAKER & ALLEN. The evils resulting from habitual costiveness are many and serious; but the use of harsh, drastic purgatives is quite as dangerous. In Ayer's Pills, however, the patient has a mild but effective aperient, superior to all others, especially for family use. Administrator's Notice. C., all persons having claims against said estate are hereby notified to exhibit them before the undersigned on or before the 24th day of July, 1892, or this notice will be plead in bar of their recovery.
