A Fatal Accident.

We learn that a son of Mr. Peter Heavner was accidentally shot and killed in Howard's Creek township last Monday. They were driving along the road, in company with Mr. Heavner's daugl 'er and others, and his daughter saw a large snake in the road. A Mr. Pink Radisill was present with his gon. Mr. Heavner asked for the gun to kill the snake and in receiving the gun from Mr. Rudisill, by some means it was discharged and the load hit Heavner's son, inflicting a fatal wound.

Just received a lot of the celebrated Featherbone forsets. Why are they better than all others?

1. They fit better. 2. They wear better . They are more stylish: They are more comfortable. 5. They are cheaper.

No other material entering into the manufacture of a corset can compare with Featherbone. The Featherbone waist is, beyond question, the most comfortable garment made. It fits like a glove, has all the style of a corset, and wears like iron. We make a specialty of these goods, and recommend them to you without reserve.
