## IN HOC SIGNO VINCES!!! THE GREAT POLITICAL BATTLE OF 1892 WAS FOUGHT ON THE QUESTION OF TARIFF REFORM.

It has been our policy in the past, (and shall continue to be future) to drive prices down to the lowest notch, give our customers the advantage of the Closest buying, add only ONE SHORT PROFIT and be satisfied.

This policy has been equally as satisfactory to our customers as it has been to us, and is evidenced by our greatly increased volume of business this season as well as by the expressions of NEW CUSTOMERS who could not resist the seductiveness of our matchless bargains. Our Clothing business has grown apace and our Stock and Price have "Knocked out" all competitors. It is another Tidal wave in our favor. Cleveland ought to buy his Inaugural suit from us, for we have taken the TARIFF off. In fact, the next President and his Cabinet Officers, together with their wives and families, would find it greatly to their advantage to buy clothing, Dry Goods, Dress Goods, Shoes, Hats, carpets, and all other goods from
