THE COURIER has the pleasure of seeing at least one of its candidates elected for Cleveland's Cabinet. The selection of Hoke Smith of Atlanta, to the office of Secretary of the Interior has been received with delight throughout North Carolina, but nowhere more than in Lincoln County. Hoke Smith was formerly a citizen of Lincolnton. He is well known here and is admired by all our people. After he made his great speech here last fall, "ome of the Democrats said they wanted to vote for him for President, thus signifying their great admiration for him and his speech.
