Rev. M. P. Matheny returned last week from a visit to the meeting of the Southern Baptist Convention in Nashville, Tenn. He reports the convention largely attended and harmonious in its work-this religious body cometimes reaches 3,-500 in attendance. It is missionary and educational, the educational department having raised some twelve million dollars, in the last four years, for the endowment of their schools, colleges and universities. The contributions in the missionary departments reached nearly half million during the past year. The entertainment given by all the denominations in Nashville was superb and cordial. The next session of the convention goes to

Dallas, Texas. Mr. Matheny reports the crop prospects throughout Tenn. very good indeed and especially the wheat. Twenty-three years ago he left his old home and emigrated to Kentucky, Since leaving his native state great changes have taken place. The coming of a new rail road has wrought wonderful material prosperity. This road is being built across the Comberland mountains from Nashville, to Kuox cille via Harriman on the Q. & C., fare of travel for N. C. & Va., to the west. This country now being opened is full of timber and coal, some yellow poplar trees measuring five feet in diameter and producing as much as 1,500 feet of lumber to to the stock, it is also a country of fine water power, and destined to become a manufacturing country.

About The Baptist Conven- Family Reunion at Mr. Costner's.

Clear skies and delightful oldfashioned May weather welcomed a cheerful happy company that met at the residence of Hon and Mrs. Ambrose Costner on Tuesday last, A family reunion is always delightful, and as I drove up to the Home to pay my respects and extend congratulations to the family, and heard music in the air and was welcomed at the gate by the father, no words seemed more beautifully to express his feelings than these: "I will sing unto the Lord, because he hath dealt bountifully with me," I never saw my dear friends, Mr and Mrs. Costner look better and seem happier. Twenty seven guest were served including the parents and their off springs. Mr. and Mrs. Able Rhyne and their children of Mt. Holly N. C., Dr. and Mrs. Henry Costner of Chicago, Dr. and Mrs. Thos.
