12th, aged 82 years and one month. She was born in Mecklenburg counton being the oldest of five child ried a sister and lived at the old runs the farm and most tenderly and faithfully supports his widowed mother in her care of her aged and infirm sisters. Miss Fanny was an invalid for many years and entirely blind and belpless. The esteem and sympathy for the afflicted famis ly were beautifully expressed by a blind sister, Miss Jane Cathey, told how hard for afflicted sisters to part Industrious and hospitable, and in the fellowship of f the Hephzibah grief and infirmity. But as the members pass over the river, it is a comfort to say of them: "Thou snalt come to thy grave in a full age. Like a shock of corn cometh R. Z. J. in its season."

Washington News.

Correspondence of the Couries. If the Congress of the United States were liable to criminal indictment it would have to stand trial on the charge of murder in the first degree for having killed the 22 employes of the Surgeon General's Grounds on an elevated track, offeroffice who lost their lives by the failing of the floors of Ford's old the Fair. theatre, where Lincoln was assassis nated, which occurred last Friday, a catastrophe which can never be forgotten by any who were at the time in Washington, and which still route. is the leading topic of conversation wherever he goes. In addition to Fair Hotels are located on the route the 22 men killed ontright there of the Big Four, to be nearer to the were 68 injured, a number of whom may die, and many of whom will be venient stops are made along the permanently crippled. Congress cannot claim in extenuation that it every part of the Hotel and Boarddid not know the condition of this ing House District. building, because its condition bad been repeatedly called to its atten- town, trains of the Big Four land tion, and it actually appropriated money some six or eight years ago Twelfih St. in the heart of the city. to erect a new building to contain the Army Medical Museum and liver ures of tedious transfers and delay brary which had been in this builds in Chicago as well as along the ing. Just think for a moment what route are postively avoided, making damning evidence is given by this this Line superior to all others in action. Congress erects another every respect.

employer been guilty of this crime he could have been legally executed cinnati route for Chicago on the for marder; but Congress-well, afternoon of June 22nd. He expects the tamilies of the dead and crippled, who are now being aided by private contributions, can spend the Fionr, Buhr " 100 lbs 1.50 remainder of their lives in asking and is therefore prepared to show Congress to recompence them for the sights." He has also been their lost bread-winners. Meanwhile there are half a dozen build-

ings in Washington containing many

times the number of Government

employes who were in the collapsed

building that are known to be

equally dangerous, among them the Government Printing Office, with its nearly 3,000 employes; the Patent Office, the annex to the Post Office department and the Winder building, where a large branch of Rags the War department is quartered. An attempt is being made by an army court of inquiry to locate the personal responsibility for the disaster at this old death trap, if there be any, and a coroner's jury is also To School Committeemen, at work with the same end in view. It is said that the direct cause of Notices have been sent out to the accident was an excavacation

> was officially condemned twentyseven years ago to be occupied by 500 Government employers. In a feeling of excitement among those employed in the other tuildings

may be true, but even if it is that

tarnishes no excuse for Congress

for having allowed a building which

tae upper floors of that building transferred to the ground floor. President Cleveland was one of the families of the clerks that were killed and wounded; he also direct ed that all flags on the public buildings be halt mastered for the dead clerks, an honor never before paid to any except high officials or exofficials.

The number of appointments durmill. Mr. F. Dilling, who was for- ing the past week was unusually merly connected with the old King's large, particularly in the consular Mountain mill as treasurer, is at the service, but the new Government printer has not been named, although it is daily expected that be will be.
