These preserves are in the countles of Henderson and Transvivania. and are situated on the Asheville and Hendersonville Railroad, and are what is known as the "Pink Section." The French Broad river receives its waters from this section, and the whole region is fby nature the abode of the deer, the duck, the quail the squirrel and the turkey, in the many little streams that leap down the mountain sides awim the mountain trout, whose nibble of a book is said to afford noth. ing less than inspiration to some

Trou! fishing alone is enough to justify the purchaser for its new purpose, but the mountain sides abound in deer and turkeys, and the meadows and the cover at this senson of the year abound with "Bob White,"

But if this gentle sport does not bult the tastes of all of Mr. Vanders odt's guests, there is the cunning red lox which abounds in this section, and there is now and ithen to be found the wildcat and estamount There are plenty of such animals in Jurnish the fox hunter or catamount beer all the fun he may be looking in the State. tor. Mr. Vanderbilt has just soc

win fact, the whole of this section," to a Press reporter, 'is a great game p sterve for moonshiners, and Mr.

listiment Which is Eminen. ly Worthy of Patronage.

lord N. C.

During the past month this inetiation has been the subject of closst investigation at our hands, and r resentatives of the Jour. pursued rigid enquire cannot highest unbiased authorities e learners. In fact all available in atmation concerning its features he been sought. Those directly un second in its management of fithe cutty interested in its success w e not consulted, it being deemed a rasble to obtain expressions enthe e free from bias or self interest. as a festili of such foir and painc dig search we do not besitate to 50 every reader who seeks the best would secure the greatest return up. on his investment, for this excellent establishment and undoubtedly solved the important question of maximan returns combined with mininum of expense. It affords the highest practical education at lowest possible cost. Moreovor, it is ably managed, thoroughly in methods and equipment; in fact, all that could be asked or desired hence we do not hesitate to commend it in this institution than in any other of its kind, but daying by nubrased investigation assured ourselves of its superiority and worth, consider it a duty to subscribers to make such supreme merit known.

Now is the time to consider selection of an educational establishment and the choice should be made after closest examination. This we diehave done and in all candor we say an Trade Journali.

THO PERFECTION OHO

ENOXVILLE, TENN. Wa received the article below from | a widower, who is anxious to have a | County? Then take the COURTER branch Society established bere, but he wants all married women exclud-

ed from the society. "Down in Mississippl they have introduced hugging societies to swell the church treasury, and a Missouri paper gives the following scale of prices: Girls under 16, 15 cents for a hug of two minutes, or 10 cents for a short squeeze; from 16 to 20, 50 cents; from 20 to 24, 75 cents; school marms, 40 cents another man's wife, \$1; widows, according to looks, from 10 cents to \$3; old maids, 3 cents or two for a mickel, and not any time limit. Preachers are not charged. Editors pay in advertising but are not allowed to participate until everybody else is through, and even then are not permitted to squeeze anybody but old maids and school marms."

The President's Health,

That story about the cancerous growth which necessitated the cutting of President Cleveland's jav bone, as published under flaming bead-lines by the Philadelphia Press has had the staffing knocked out of its by Dr. Bryant, the President's physician, and by Dr. Has-brouck, who assisted in the operation, and said it consisted sin ply in the removal of two molars which had seen their best days and and occasionally gave Mr. Cleves land annoyance.

Women lose a great deal of time befor a looking glass, but men lose told more before the social

can Railways.

The Queen and rescent Route widely known as the road running the "Finest Trains in the South." 1: in the field to carry everybody from the South to the Worlds Fair a Chicago.
