and I have never for a moment during the long and sometimes seemingly endless controversy in the Senate doubted for a moment that the final result would be such a compromise. To repeat a hack- cine neyed phrase "the logic of the situation" pointed from the first to compromise as the only satisfactory and to the contest, from a democratle point of view.

that has been wrestling with the problem ever since it was proven that a vote upon the Voorhees bill was an imposibility onder the press ent rules of the Senate, and approved by Secretary Carlisle as President Cleveland's official representa. tive, provides for the repeal of the purchasing clause of the Sherman law to take effect October 1, 1894 for the counge from time to time of the purchased and of the seigniorage in the Treasury and that to be ac .. cumulated by future purchases, and for retiring all greenbacks and certificates in place of them. It est bonds to replentish the gold te serve at the discretion of the Secre tury of the Treasury, but some demy ocratic Senators were so much opposed to this that Secretary Carlisle suggested that if the purchase of stiver was not continued for mothan a year longer he thought to boad usue would be unnecessaso ! e bond issue was left out.

I hoped and expected a the gromise will be out three - and House this to - a fire great to they are

An Electrocution.

DANNAMORA, N. Y., Oct 23,-At 11.50 o'clock this morning, Martin Foy was electrocuted for the murder of Henrietta Wilson, his mistress, in Saratoga.

The current was turned on at 11.45, the voltage being 1,640. It was on for four seconds at full force then for ten seconds gradually reduced to 150, put on at full force again for two seconds, and then gradually reduced again for 46 seconds. The condemned man made not a movement except that caused by turning on and off of the the main entrance gate to the World's current. He spoke not a word from the time he entered the death dress D. B. Martin. General Passenger chamber and evinced no interest Agent, Community O stomache it is a good remedy. see, at whom he did not look. The doctors pronounced the man dead at 11.50. Dr. Ransom, however had decided on administering two shocks and the current was again turned on at 11.53 for a period of fourteen seconds, being gradually reduced from its tull force. After the autopsy the body will be delivaered to Foy's father who will bury it at Saratoga .- Morning Star.

Cherryville Letter.

Last year everything was politics and this year everything is fan-atics, at this rate pext year everything will be dog-tier. At this time the tederal office holders in eastern N. C. are Republicans and in west ern N. C. they are all or nearly all Democrats Who has divided the grand state of North Carolins, and made the eastern Republican and the western Democratic? Wno is detrauding eastern Democra's out of the honors and profits of federal offices after having been appointed by a Dear-cratic administration and who is enitsting soldiers from the Republican and Third party to help him down two of his democratic bretures and, furthermore, who is it that virtually deserted the Danocratic party because he don't like Mr. Caveland, I mean honest Grover the most pure and patriotic Statesman in the United States? Who supported the coersion rese-In total of 1869 ! It is neither Grover C . . . noe the Democratic a course is opposed to tout in every eens Kindedly of the Canana I yet readers locate the
