North tarolina's Gold

North Carolina's gold interests continue to be well advertised. The latest boast comes from Washing ton. The evening News of that city says: It has been known for a long time by the people of North Care... lina that the State possesses an abundance of gold, although the fact has not a tracted much atten. tion outside of its borders.

The deposit of the auriterous earth there is great enough to in duce Senator Jones, of Nevada, to add his name to the list of those owning and working North Careline mine, and with him is assect ated x Senater Mahone, of Virgin-

Scoutor Junes, while g eatly upterested in silver in the Western States, has found the miging of the white metal less trunting now than the mining of gold, and honce be is quick to adjust himself to the situation. We commend his readiness to adapt himself to altered ci »

North Carolina will undoubtedly in the future become more prominent as a gold producing State. The Montgomery mue has produc. ed very rich ore recently, and prospectors declare that greater results will acrue from more scientific exploitation of the fields in the neigh-

So far as North Carolina is concerned, it is good news that further purchases of mtuts in the State are contemplated by Messrs. Jones & Mahone who intend to put in improved machinery and employ all the latest appliances to develope
