

MOTHERS, Do You Know that Paregorie, nan's Drops, Godfrey's Cordini, many so-called Southing Syrups, and

most remedies for children are composed of opium or morphine? Do You Know that optim and morphine are stupefying nareotic polyoan?

Do You Know that in most countries druggists are not permitted to sell carceties without labeling them polsons ?

Do You Know that you should not parmit any medicine to be given your child unless you or your physician know of what it is composed ?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Esteber, That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined ?

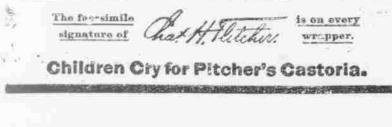

Bo You Know that the Patent Office Department of the United States, and of other countries, have lasted exclusive right to Dr. Pitcher and his assigns to use the word " Castoria" and its formula, and that to instate them is a state prison effense ?

Do You Know that one of the masons for granting this government protection was secance Castoria had been proven to be absolutely harmlass?

Do Yon Know that 35 average doses of Cestoria are furnished for 35 conts, or one cent a duse ?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unb-oken rest?

Well, these things are worth knowing. They are facts.
