For January 12, '94, I find this enters his to the partial sells the partial sells the fulfillment of the former promise plant.

For January 12, '94, I find this enters his to the partial sells the fulfillment of the former promise plant.

For January 12, '94, I find this enters his to the partial sells the fulfillment of the fulfillment of the former promises that are run on the state are run on the state are run on the find my talk sells cheap!"

For January 12, '94, I find this enters his to the fulfillment of weight, when Mr. Huggins said in an wild cat. In trying to rise I turned keeping well on the track - and never doing. I am specially pleased at the excited manner: "Gentlemen, over on my back, but the rascal there's nothing in size and weight, turned too and was still on top, punch. I am sure that most fathers and to recite. While they do not speak Reuben, June 29. This section there's nothing in size and weight, for I have both, as you see; yet I got a whipping once I've always been ashamed of, from a little tallow faced, weasly-looking fellow, who didn't look like he could pull a chicken's head off. He was, my shoemaker—made shoes for my negroes. One made shoes for my negroes. One day he made me mad and I determined to thrash him, if he was a white the man. I told him to go down into the words, my cow pasture, take off his two moods, my cow pasture, take off his two modes and stratching. So I am sure that most fathers and more fitted every ment children and desire to rear them up to find the desire to rear them up to find the desire to rear them up to be useful and happy; and they are then they seem to have a commendable will. So, mutually, our efforts are inspiring.

I am sure that most fathers and mothers—I might say all—love their children and desire to rear them up to be useful and happy; and they are therefore eager to gain any information that will aid them in so doing. Harvest is over and the farmers are in very good heard on the farmers are in very good four whole public educational system.

I am sure that most fathers and mothers—I might say all—love their children and pledge for the future our stendal position, they seem to have a commendable will. So, mutually, our efforts are inspiring.

Monday, January 13: "Had that chronts to recite. While they do not speak to perfection, they seem to have a children and desire to rear them up their day.

Harvest is over and the farmers are in very good heard one with the proposed on the foundation and pleadies for the future our stendal point woods, my cow pasture, take off his coast and get ready for a flogging.

Coast and get ready for a flogging for him; but I'd told him I was go for him; but I'd told him I'd told him I'd told him I'd to him I'd told him I'd tol ing to whip him and to keep my word it had to be done. I watched him I'll brush the dirt of n you!" And to learn how to "raise" children. Send for free book. until he reached the woods; and he did. No, gentlemen, there's noth- Sure enough, when I arrived at the been raining all day, and the stuwill be a great help to the people churches. The general assembly "Health and Beauty." Sent to women when I saw the poor little fellow pulling in size and weight; but there's a off his coat and hang it on a bush, my conscience chided me for becoming offended with such a pitiful obligation of the said that. In the affairs of his ead that, In the ead there, babies as dents have been disposed to be a little noisy. I can't bring any grievous complaint against anyone. I myself, have been disposed to be a little noisy. I can't bring any grievous complaint against anyone. I myself, have been disposed to be a little noisy. I can't bring any grievous around here.

The annual celebration will controlled around here.

The ject; I was almost inclined to call there is more in knowing how than rected at once; so, as soon as I could day. Notwithstanding the rain, there him back and for rive him. But, I in brute force. A thousand Con- well do so, I made the remark that was a very full school; 42 were pres thought to do that might be making federate soldiers under Stonewall the subject of the morning's dis-ent, 8 were absent. Oh, God, help thought to do that might be making a bad precedent, which, in the future, would give me trouble; so I finally decided I had better whip him,
