Revolution Imminent.  
A sure sign of approaching revolt and serious trouble in your system is nervousness, sleeplessness, or stomach up-sets. Electric Bitters will quickly dismember the troublesome causes. It never fails to tone the stomach, regulate the kidneys and bowels, stimulate the liver, and clarify the blood. Run down systems benefit particularly and all the usual attending ailments vanish under its searching and thorough effectiveness. Electric Bitters is only 50c, and that is returned if it don't give perfect satisfaction. Guaranteed by English Drug Co.  
Friend, it matters not whose child you meet, or what the color of his skin, your duty is to add a little to his happiness. It can be done without any sacrifice on your part—in fact you will get the best of the bargain no matter what you do to make the great and notable day a trifle brighter.—Charity and Children.

The Japs may fight the Russians, On land or on the sea; But the girls of this here country, Fight for Rocky Mountain Tea. English Drug Co.  
"How is your boy doing at college?"  
"First rate," answered Farmer Cornetossel. "He knows more than anybody around here. All he needs now is sense enough not to make people mad by his way of showing it."—Washington Star.

Fight Will Be Bitter.  
Those who will persist in closing their ears against the continual re-education of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. ### FOR TWENTY-ONE YEARS Catarrh Remedies and Doctors Failed—Pe-ru-na Cured.

ELGIN, ILL.—In a very recent communication from this place comes the news that Mr. Arthur Ernest Kidd, a well-known architect of that city, has made complete recovery from catarrh of the head from which he had suffered for nearly a quarter of a century. He writes from 18 Hamilton ave.:  
"I am 42 years of age, and have had catarrh of the head for over half of my life, as a result of scarlet fever, followed by typhoid fever. I got so bad that I was almost constantly coughing and clearing my throat. The catarrh greatly impaired my eyesight, and the hearing in one ear, and reduced my weight to 110 pounds.  
"I tried nearly every catarrh remedy advertised, besides a great many different physicians' treatments, all of which failed.  
"I had heard and read of Peruna, and finally decided to try it two months ago. I have now taken seven bottles, and weigh 175 pounds. Never felt happier or more vigorous. Feel tip-top.—A. E. KIDD.  
If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.  
Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

### Consumption

There is no specific for Consumption. Fresh air, exercise, nourishing food and Scott's Emulsion will come pretty near curing it, if there is anything to build on. Millions of people throughout the world are living and in good health on one lung.

From time immemorial the doctors prescribed cod liver oil for consumption. Of course the patient could not take it in its old form, hence it did very little good. They can take

### SCOTT'S EMULSION

and tolerate it for a long time. There is no oil, not excepting butter, so easily digested and absorbed by the system as cod liver oil in the form of Scott's Emulsion, and that is the reason it is so helpful in consumption where its use must be continuous.

We will send you a sample free.

See that this picture is in the form of a label on the wrapper of every bottle of Emulsion you buy.
