See Program on other side of this sheet.

How to Celebrate.

The proper way is to have nice photographs of yourself and family taken. I will offer some special bargains for the next 30 days. :-: Come and see about them. Make my gallery your stopping place when in town. You will find good water and a good place to rest. All work guaranteed. Come to see me. Yours truly,
TOM N. HALE.

FREE EXHIBITION!

This is a day of attractions, and one of the very important and attractive features of the day, which you should not miss seeing, is the very low prices made by
