Tuesday, July 25 1905.

courred, says he saw human bodies against her chastity.

The farmers of Union county as a whole are to be congratulated on the results of this month's cotton selling. At Monroe, Wingate, Marshville and Waxhaw during July they have sold in the neighborhood of 3,400 bales. The price has averaged fifty dollars a bale. This would give the big sum of \$120,000 that her heave the says he saw human bodies reach the stricken man. The shock of the death of the friend and neighborhood and the same which enveloped the ship. When the haze cleared away, only a few could be seen on the decks, while a number were floundering in the water were floundering in the water were picked up and taken on board.

The price has averaged fifty dollars a bale. This would give the big sum of \$120,000 that her heave the force of the death of the friend and neighborhood and neighborhood of the death of the friend and neighborhood and neighborhood of the death of the friend and neighbor was and which enveloped the ship. When the haze cleared away, only a few could be seen on the decks, while a number were floundering in the water. A boat was lowered from the water were picked up and taken on board.

The price has averaged fifty dollars a bale. This would give the big sum of \$2,000 that her heave to the board of trade, and his correct the sented terrible scenes. from Darlington to the effect that many people believe that Mr. Dargan people believe that Mr never committed suicide at all, is a wyoming and convey the monitor to had lapsed into unconsciousness, and a few minutes later had breathed his rather interesting, mostly on account of the many ingenious frills invented to give it plausibility. People will talk of it as a nine days' wonder and then drop it, as there is not the remotest chance that there is any truth in the story. Stripped of fiction, the story of the suicide is dramatic enough. It shows that these Dargan brothers held the same idea of honor as that held by the idea of honor as that held by the ancient general who killed his own daughter in order to disprove rumors against her chastity.

Index of honor as that held by the force of the terrific explosion proved a great shock. Alderman W B. A. S. J. E. M. Cam B. Sanders, who resides immediately at the Bennington when the disaster cross the street, was the first to coursed, says he saw human bodies against her chastity.
