Tuesday, August 29, 1905.

of consumption and that the cures experiences. ly applied.

sees in his own church for them, but from the standpoint of the public in general the campuseting has created.

Sees in his own church for them, but ally sweet and profitable both in would not pay Japan one cent—he drank it, and reported it because from the standpoint of the public in general the campuseting has created.

Then, too, the ing the Russian prisoners, which he pay for it. It does not need a Philipping of the profit of the pay for it. and indeed we hope it will, but if it great deal, but as a religious neces—and patronage. sity and therefore of deep spiritual value, we are inclined to think that at a larger number of the unsaved new proposal still called for a pay its day has departed.

the only one present who was drunk enough to break up the meeting.

Mayor Woodard of Atlanta was the most talked of and read of mayor in America on Friday morning, and them?

It is wonder that is wonder than swonder the same effect, the failure of a treaty of peace—is as firm as Russia. From the very beginning she has said that Russia must pay a war indemnity and here, likewise, the Mikado he America on Friday morning, and them? how the heart of all true Atlantians must have swelled with pride! The meeting would help turn our young ing that it come under any name. mayor was so dronk and made such benefit instead of injuring their restraight through, roundabout, sngar Wilmungton on the excursion last a gross attack upon Mayor Dunne of ligious life. Chicago, that the assembly rose and Let's have the campmeetings judi no difference to him, all he wants is left the hall while he was speaking clously located, properly organized, the stuff. He's willing to grant the and before the motion that some one, made to adjourn could be put. At- itors, and make the meeting education money lanta will fall upon Mayor Woodard's tional and social as well as evange. There they stand. There they have tion when he returns.

Bro. W. P. Fife contradicts the motion? story published in The Journal and many other papers last week to the effect that his Great Western Gold Mining Company in which he has western Gold airship, Toledo, over New York again ence will go down into history as a failure. That is, it will not go down been selling his North Carolina friends great blocks of stock in order the back of its neck. that he may be better prepared to preach the gospel, was in trouble. and in fact busted. Brother Fife's explanation is hot stuff, and we cangold bricks are genuine.

A Spunky Girl.

Here is a rainbow bubble floating on the surface of the social swim in parted its occupations and took a this city. A short time since a girl from another part of the State was the guest of a leading Fayetteville eller. Thamily, a girl full of life and chic, but with plenty of hard sense, and well able to take care of herself. One of the "golden youth" invited her to take a buggy ride, and, after they had proceeded on their way a hundred yards or so, he turned to her and said, with unpardonable impertinence and freedom: "Miss ---I have heard that you are pretty lightly, safely into Central Park very close to the point from which he asplied, flashing a look at him. "Hand me the reins and I'll show you how fast I am." He relinquished the After a hearty meal a dose of Kodol reins, supposing that she would put Dyspepsia Cure will prevent an attack again asking Waxhaw for Provi-the horse out at a 2:40 gait. On the of indigestion. Kodol is a thorough dence. "The line to Providence is the horse out at a 2:40 gait. On the contrary, she deliberately made a contrary, she deliberately made a digestant and a guaranteed cure for indigestion, dyspepsia, gas on storach, drove back to the gate of her friend's house, cut the wheel, jumped out, swept her escort a formal courtesy, and support the contract of swept her escort a formal courtesy, and disappeared, leaving him to pursue his ride alone. It may be imagined that the discomfitted young man took good pains not to circulate this episode, but the story has got out and the general verdict is, "served him right."

Rev. J. H. West, presiding elder of the Morganton district, has been elected president of Rutherford Colcceed Prof. A. C. Reynolds signed to accept the position erintendent of schools of Bun-

the Old Campmeeting?

Has the campmeeting a place among Dr. John F. Russell of the Pesting whose hearts glow at the mere gloomy, until Tuesday's meeting is is a sluggish stream, with wide better than the follow over no man can tell whether it will toms, and seldom hurts our corn this "From Cha Graduate Hospital of New York has gious emotions stir whenever they be peace or war between Japan and time of year.

Dirt arous

The idea of reaching an agreement operations to he

For several months the cures have been going on in the hospital in confirmation of the discovery and as testing its value, and a public announcement has not yet been made.

But aside from sentiment, let's see the stranggrand. Hope of peace, the stranggrand, Hope of peace, the solid stranggrand, Hope of peace, the solid stranggrand watermelons from one acre of land, stitute committee for the country, the campmeeting at the present day throughout Europe and the world is Sheriff A. J. Price bought the Still reader of the Practical Farmer, Matthews place about a year ago, at presided, and never in our experiments as not yet been made. nouncement has not yet been made, will bring the people together and there is hope, and the conference is of Wardlaw and near Weddington The information got into the news papers through a professional circular sent to physicians in the city. This cure may or may not be what is claimed for it, but we expect to see success from the hand of some of the many earnest men who are studythe many earnest men who are studythe many earnest men who are studyto hope. It was through his influto hope. It was through his influto hope. The original featured at former institutes make no mustakes. Take old Salom have had their effect, for we have to hope.
