Simpson, Jr., and Dr. S. J. Welsh. Dr. S. J. Welsh. man referred to meant by saying that the world is made bigger by the death of some men.

Can you deny the statement! They have a right to do as they please with their own property, you say. Of course they do, but that doesn't change the proposition that their way hinders progress. Either a land miser or a money miser is a wart on our social fabric and an impediment to the financial progress of any community. It is the man who puts his money to work and develops the resources he has at hand who helps to make the world move on to greater indus-trial activity and development.

Several years ago the writer had a room mate while in school who was studying for the ministry. He was a good sort of fellow, but fully believed that there was only one right way for church forms, and the right way happened to be the way he was 'brought up' to un-derstand and observe. We made
