Meeting of Tirzah Bible Society.

Bible Society was held last Saturday. The attendance was unusually large, the church being filled, while many were on the outside. An able address was delivered by the orator of the day, the Rev. Paul A. Pressley of Lancaster. The collection amounted to \$139.25. The Rev. and Mrs. Paul Pressley of this place and the Rev. and Mrs. J. S. Nisbet of Arkan-

wered, but Kincad said, too is the sort of fellow that would nght for his right, regardless of odds. The control of the contro gleam he knocked Kincaid's arm with him. The provocation was ceiling of the house. But Kincaid kept shooting. He bent his arm around Mr. Clarke and fired four more shots. The second load went into Brown's head and the third up and the first ball went into the great. into Brown's head and the third and fourth in the trunk of his body, one about the fourth rib on the left side, and the other in the abdomen. The fifth ball went wild. Brown Brown by Kincaid, when Mr. C.W.

The fifth ball went wild. Brown fell in a heap upon the floor, dying fell in a heap upon the floor, dying fine and the could not hear what was instantly. After the first shot or instantly. After the first shot or two the negroes disappeared. Mr. Clarke was between the fighting men until Brown fell and then he left the room. He is large and releft the room. He is large and ro-tund, and as Kincaid ran around in as many weeks. His reputation blessed capacity to enjoy herself,

after Brown he (Kincaid) could for fooling young women was considered bad. He was born near claims that when he cursed Brown Cowpens, S. C., and was about 35 What You 5 the latter lifted his hand to his hip years old. He had been married pocket as if to get a weapon. Kin before, and it was reported here tocaid walked out of the little room day that he had a wife in Spartan and, when he met Mr. D. K. Tate, burg. His intimates declare that an ex-policeman, broke his gun and surrendered, saying that he had courage when aroused to had killed a man. By that time was badly frightened this morning when he entered the room where of the town, had arrived, and the he met his death. He jumped beprisoner was turned over to him. hind Mr. Clarke in an effort to save "I want to go to Garrison's drug his life. A thorough search restore," said Kincaid, "and get Dr. venied the fact that he had no

Garrison to go and tell my wife greater weapon than a small pen-what I have done." knife. He weighed about 150 The party walked across the rail-ad to the drug store. There Kin-less than 175.

caid told the following story to a friend: "Several months ago Will Brown came to me and asked if he could go to see my sister, Daisy. I was killed. She went over and saw the dead body and then returned told him that if he would act the the dead body and then returned

to the home of her people.

The affair is considered most unfortunate here on account of young Kincald, who was doing well. He will have to go through a costly trial and run the risk of having to erve a term in the penitentiary. Very little, if anything, is known here of Brown's people. He had moved about, but had made Besse-

from other minds and must have human society to avoid the estate of a gaping dullard. But now she can have her palace under the maple, hard by a city street, or she A san sight was that lawn over none intrudes." The grown man on North College street yesterday afternoon, where little Miss Evelyn like and her cousin, little Miss and her cousin, little Miss way about it, why, come to see Blake and her cousin, little Miss nothing in the leafy jungle but the leafy jungle Paul Pressley of this place and the Rev. and Mrs. J. S. Nisbet of Arkansas were made life members of the society. Mr. John Nelson and others whose names we have been unable to learn, were made members of the Arkansas whose names we have been unable to learn, were made members of the Arkansas Rible Society.

William Brown, a traveling loom fixer, was shot to death here today by John Y. Kincaid, night engineer at the Vermont Cotton Mills. The killing took place at S o'clock, just one hour after the dead man had the tolerance of the Confedence of th the American Bible Society.

There is nothing so pleasant as that bright, cheerial, at peace with the world feeling when you sit down to your breakfast. There is nothing so not an officer and surrendered. Before the mayor of the town he sailts. The healthy man with a healthy mind and body is a better fellow, a better workman, a better workman, a better citizen than the man or woman who is handicapped by some disability, however slight. A bother.

This morning at 7 o'clock Mr.

There is nothing so pleasant as that I had taken her to protect her from fast men, he deliberately misused her to protect her from fast men, he deliberately misused her. She is to be a mother.

When I found what had happened, I went to Brown and told him that he had to marry her. He said that he would do so, and fixed the first Sundays of July as the time. The day passed and Brown failed to keep his promise. I went to him again and he promised faithfully. I gave him another chance to right the wrong that he had done. But I had taken her to protect her from fast men, he deliberately misused her. She is to be a mother.

When I found what had happened, I went to Brown and told him that he had to marry her. He said that he would do so, and fixed the first Sundays of July as the time. The day passed and Brown failed to keep his promise. I went to him again and he promised faithfully. I gave him another chance to right lows betrayed negligent housekeep ing, for they had no cases to consider the inding places, without waiting to gather up their furniture.

The tiny finner table, flanked by two worder and the thrill of discovery. There would be not only thing left on its legs. The two of discovery. There would be not of discovery. There would be not only thing left on its legs. The two of discovery. There would be not only thing left on its legs. The two of discovery. There would be not only thing left on its legs. The two of discovery. There would be no slight disorder of the stomach will designed your body, your thoughts and your disposition. Get away from the morning at 7 o'clock Mr. William Brown and Mrs. Bettie again he fooled me. I went back morbidness and the blues. Keep your stomach in time and both your bearing and body will respond. Little indistributions of evereating can be easily and covered the bride's father. From the control of the bride's father. From the control of the bride's father want to the covered that he fally intended to marry her. I thought that he mare honest box and even the parlor of the stomach will design the stomach will design the stomach will design the stomach mand beth was betrayed negligent housekeep and give it the lie. This line of philosophy, however, is imaginary almost beyond the pale of poetic lizety jumbled; the old clock face, the small pink parasol, the pastern of the stomach will design the would rear up before every fantasy would rear up before every fantasy and give it the lie. This line of philosophy, however, is imaginary almost beyond the pale of poetic lizety jumbled; the old clock face, the small pink parasol, the pastern of the war.

The occasion of the onveiling of the window, which Downing had labored since his boxhood to erect and body will respond. Little indiscretions of overeating can be easily corrected and you will be surprised to see how much better man you are. Try a little Kodol for Dispepsia after your a little Kodol for Dispepsia after your a little Kodol for Dispepsia after your meals. Sold by C. N. Simpson, Jr., and Dr. S. J. Welsh.

Hearing that Brown was to be married this morning, Kincaid consulted his family physician about the single physician about the small pink parasol, the paster board shoe box, and even the partor all knowledget. No man born of all knowledget. No man born of all knowledget. Wo man stands in danger on that score. The point is that this factorise was muder a roof of maple leaves. There was not a living thing in the window, which Downing had board shoe box, and even the partor carpet—a hearth rug—had been tossed just any old where. All this was nuder a roof of maple leaves. The point is that this factorise was muder a roof of maple leaves.
