The Bank of Union, of cotton, hence the manusold his finished product a price of \$2.40 per pound.

THE Is now established in its permanent home. The location was selected and the building erected with an eye to the convenience of the public. The site and the superstructure are ideal for business. Not only this, but the Bank has installed in its offices an entirely new outfit. A vault has been built that is absolutely fireproof for the keeping of books, papers and records, with private lock boxes for rent cheap. Considerable money has been invested in a safe in order that the customers of the Bank may feel safe at all times in regard to their deposits. This safe is a marvel of mechanism and has no superior in this country for strength and safety. It will be shown to customers and visitors with pleasure. In abort, the Bank of Union has made an effort to please the public and to provide every comfort, convenience and safeguard for those doing business with it. The accommodations afforded are now unsurpassed. If the people will recognize these facts by bringing their deposits, their patronage will be highly appreciated and the benefits will be mutual.

The Bank of Union, Monroe, N. C.

There is a Saying:

"The next time I build a house, I'll build the Bath Room first and the house around it."

A Bath Room

is no longer a luxury to the privileged few, but a common necessity for the many.

It's Surprising

to see what a nice Bath Room Outfit we furnish for a comparatively small sum of money. Better consult us if you want a good job.

Cotton, at Six Cents Per Spool.

The fact that the thread trust has raised the price of that useful and tle attention save among dealers the viewpoint of the thread manu-

at 45.13 cents per dozen. There are 5½ dozen spools to the pound of cotton, hence the manufacturer sold his finished product at the fat slaved on the back by a special street of the pound of the land rester.

The new price, which has caused the retailer to add a cent to the price of each spool, is given as 67 the farmer is buying his cotton back at \$3.48 per pound.

of the Most Remarkable Spots on the Globe-

In the July American Magazine there is an article on the traffic improvement now being made in New York city-improvements costing twice as much as the Panama Canal. An idea of the extraordinary work being done may be had from this one paragraph:

"When the new tunnels are done the junction of Thirty-third street and Sixth avenue will be one of the most remarkable spots on the globe, for there will be five distinct traffic levels there, with a sixth projected; first, a foot bridge over the elevat-ed tracks, then the elevated road, then the surface line, then the Mc-Adoo tunnels, then a proposed new city subway, and finally, far below, the crosstown Pennsylvania tubes to Long Island. An airship over-licad alone is needed to complete

Nearly all old fashioned cough syrups are constipating, especially those that contain opiates. They don't act just right. Kennedy's Laxative Cough Syrup contains no opiates. It drives the cold out of the system by gently noving the bowels. Contains honey and tar and tastes nearly as good as maple syrup. Children like it. Sold by S. J. Welsh and C. N. Simpson, Jr.

They are telling it on Governor Glenn that one day recently while at the Jamestown exposition he wanted to enter the North Carolina building, but was refused admittance by the young man in charge, because he had been instructed to admit no one, and the head men were not at the place. The Gover-nor of the State had to do some tall talking to get in. It is said the State building cost the contractor \$3,500 more than he got out of the
