# THE MONROE JOURNAL.

VOLUME XIV. NO. 20

MONROE, N. C., TUESDAY JULY 9, 1907.

One Dollar a Year

### EDITORIAL.

The editor of the Biblical Reeditor of the Manufacturers' Rec-ord the able exponent of Southern ord, the able exponent of Southern knowledge. So with other points weather for working, and everymaterial progress, in which he says: now in common use.

the statement that the South's prosin the growth of towns and cities tributing to bad luck or the moon. and the advance in wealth, is as nothing compared with what we shall see during the next five or ten years. All the progress since 1880 many quacks have known enough is to be more than duplicated within five or ten years, and it will to stop on; no great lawyer ever the command of Capt. B. F. Richcome so rapidly that it will tax the knows so much that he is not eager ardson, about one hundred and fifty ing. We could not stay it if we him strong, but many self-esteemed before. There were three machines, would. There is no question as to ones have thoroughly exhausted all from Laucaster, S. C., in the the almost limitless developments ahead of us, but it is a question of profound interest whether the people of the South shall become so mad with money chasing as to forget the higher things of life."

We have tried to point out this same fact frequently; that money seeking and getting as a mere end won't bring happiness in an individual, and the same thing is true of a section. If the South is to re- Lancaster made speeches in behalf float displaying lightning rods. main as happy with its money as it has been without it, the better things—religion, morality, charity, benevolence, hospitality, unselfishness, generosity, consideration, ed-old soldiers and citizens and ladies. ucation and culture, philanthropy He paid a fine tribute to the soland sincerity-must still be culti- diers of the county and made an

other than the county seat.

The following highly sensible and timely remarks concerning farm came in quickly:

opening the list with \$250,00 for himself. The following list then came in quickly: ers' institutes are from the North W. C. Heath -----\$250 00 Neeley.

Carolina Bantist: "We are not afraid of true sci ence. It is the good friend of man Let us have it in all its thorough ness, in religion, in medicine, in agriculture. It unlocks the secret of nature and makes them the ser vants of man. He works then in the light rather than in the dark He learns through speedy experiment lessons that it would take a lifetime to learn through slow ex perience. The farmer thus become the beneficiary of the student who uses the money of the State for the upbuilding of the people. Do not be afraid of these institutes. There will be a number of them this sum mer, held all over the State, for farmers and farmers' wives. Take a day or two off and go. It wil pay you. You may be able by a little help from the scientific mer to reclaim that wasting hillside, to utilize that thrown-out meadow, to build up your retrograding stock to beautify your home—in fact to make life more worth living. Yes go to the institute. You, the back bone of the land, are entitled to A. know all the latest and best things N. W. Bivens.... about agriculture, just as much as V. T. Chears the doctor and preacher and teacher are to learn the best things in their work. And best of all, this proffered help is brought right to vour own door. Get it and gradient is the control of the control your own door. Get it and combine J. S. Little .....

would first learn the fundamentals Hon. R. L. Stevens..... his shingle; if he aspires to be a John Griffith ..... business man, he learns all that Dr. J. B. Eubanks \_\_\_\_\_ 50 00 work he wishes to engage in. The may send their names to the comfact is that "experience" does not take the place of previous study and instruction, and that the progressions, in the arts and sciences, does not come through
the "experienced" but untrained
man on the field, but from the student in the laboratory who gives
his days and nights to the study of
the subject with a view of finding
out the unknown things. It is the
same in agriculture; "practical"

nas been piedged, pernaps \$2,500.

Thousands of people are daily suffering with kidney and bladder troubles—dangerous aliments that should
be checked promptly. DeWitt's Kidney and Bladder Pills are the best
remedy for backache, weak kidneys,
inflammation of the bladder. Their
action is prompt and sure. A week's
treatment ror 25c, Sold by S. J. Welsh
and C. N. Simpson, Jr.

farmers have been working at it ever since the day that Cain was whipped to the fields, and yet not A Big Crowd Gathered on the one of them ever discovered the corder, having written an article now widely understood principles on the danger to the South from a of plant food and fertilization; the misuse of the present great pros-trained man in the laboratory and perity, received a letter on the sub-on the experiment farms did it, Mouroe was quite a successful and ject from Mr. Richard H. Edmonds, gave it to the world, and now all

FOR CONFEDERATE MONUMENT

Following Speeches on the Fourth Amounted to About One Thousand Dollars and the Committee Will Push for the Remainder.

Walkup, Capt. W. C. Heath of Special mention: Gordon & Eng-Monroe and Mr. J. M. Hough of lish, insurance, and E. W. Pointer,

the court house was packed full of Another evidence of the metro of the people of Union county politanism of Mecklenburg is that not to be behind three fourths of Pen scuille. one of its towns is to have a news their sister counties of the South per. paper—Cornelius being the town and the News-Reporter the paper.
Cornelius is one of the new towns Cornelius is one of the new towns of Mecklenburg. Twelve years ago there was no sign of a town where Cornelius now stands. Now it is one of the busiest manufacturing towns in the State and is growing rapidly. The Chronicle wishes the newspaper venture success.—Charlotte Chronicle.

Mule race—\$5, Leach Moser. Foot race—\$2, I. F. Newsome. Automobile race—\$25, R. S. Harper.

Both the hose wagon and the reel races were won by the team under Mr. J. B. Williams, the total prizes being \$40.

Best mule colt—\$2.50, G. E. Hinwich was held above the restrum.

Best mule colt—\$2.50, G. E. Hinwich was held above the restrum. Why, Uncle Wade, if that is a which was held above the rostrum by the same man who carried it in battle, Mr. Andy Pressley of this Long.

## The Story of a Medicine.

Its name—"Golden Medical Discovery"
was suggested by one of its most important and valuable ingredients—Golden

Nearly forty years ago, Dr. Pierce dis-covered that he could, by the use of pure, triple-refined glycerine, aided by a cer-tain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, ex-tract from our most valuable native mo-dicinal roots their curative properties much better than by the use of alcohol so generally employed. So the now world-famed "Golden Medical Discovery," for

famed "Golden Medical Discovery," for the cure of weak stomach, indignation, or dyspepia, torpid liver, or bilousness and kindred derangements was first made, as it ever sinke has been, without a particle of alcohol in its make up.

A glance waste full list of its ingredients, printed on every bottle-wrapper, will show that it is hashe from the most valuable medicinal rods found growing in our American forests. All these ingredients have received the strongest checked and without a medical experience of the common medical experis Cacheria and writers on Mutaria Cacheria and writers on Mutaria Cacheria have been seen to be declared to the diseases for which tooks of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Instern as adversars.

Both on, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the loctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, broughtal and throat affections, accompained with catarrhal discharges, hoarseness, sore throat. Hingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its usuntil you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not circ consumption It is devanced stages. No medicine will, It will cure the affections that lead up to consumption, "I taken to the consumption, "I taken to the consumption of taken to the consumption."
