THE MONROE JOURNAL.

MONROE, N.C., TUESDAY JULY 7, 1908.

VOLUME XV. NO. 22

We have adopted the McCaskey Account Register for handling spective places, this being the time do anything with the suffrage, any-our charge accounts and would be glad to have all our customers for regular semi-annual meetings. thing: but we vote for a party, not call and see this system.

you? You should. It makes you mad if you think you owe your increasing its surplus. merchant \$7.00 and find it is \$12.00. Under our McCaskey system The Bank of Pageland opened when you think it is \$7.00, \$7.05 is too much.

We have placed this system in our store to gain friends, not to lose them. "It is up to you" whether you do your trading through this modern system or the old carcless way. We use the McCaskey. With it you know just what your goods cost you, as there are item-ized statements of your account with each order. The system is remitted. It switches the modern have been to business has control of the panic—yet with it you know just what your goods cost you, as there are item-ized statements of your account with each order. The system is control of business has control of the panic—yet with it you know just what your goods cost you, as there are item-ized statements of your account with each order. The system is the directors have decided definite the business has control of the panic—yet with ite you know just what your goods cost you, as there are item-ized statements of your account with each order. The system is the directors have building and have seen to the his country, not to a party. It

Give us an order for anything you may want in the way of gro-ceries or country produce and be convinced that our method of handling your account is the best-that there can be no mistake and specifications. Mr. L. L. Par-by impulses to give the best pos-sible service for the people, and such men can be tray the party and mensurate with his size. that cannot be readily detected.

Thanking you for past favors and soliciting your future business, we beg to be, yours in the field,

Fresh, airy and pleasant. Every convenience afforded. The most comfortable place to dine. Servants to do your hidding; whose pleasure it is to serve you Everything as clean and pure as nectar, as delicious as manna, and prepared to please the most fastidious.

C., en-closed in a big box with a glass front. For a year she has lived in a tightly closed room, believing the banks over the biggest time Wax-haw ever had would satisfy those present. A day of general anuse no one has done more than Mr. W. S. Blakeney of Monroe. He is president of the three banks men tioned above and as a monor from the box was built from her older.

An Honest Boy and a Beautiful **Trinity College** Incident st the Convention. When the roll call for comm ner of agriculture was concluded, and awaiting the completion of the vote for commissioner, a beautiful incident gave rest and delight sons announced that a little news purchaser gave him a dollar. The

boy went to find the change and tleman and desired this announcehouse he could get his 95 cents returned. Immediately the audience

year old, was brought to the front of the stage, his bundle of papers

under his arm, an old battered straw hat in his hand, his eyes bulged big and his face wearing an expression of wonder at what all the fuss was about, as delegates dred throats. The little fellow put

his hat down, and then began a scramble from delegates on the floor and on the stage to get to the hat. There was a perfect rain of dimes, uarters and nickels and several ave dollar pieces until the crown f the hat was filled to the brim. t counted out \$19.35. On motion

of W. C. Hammer, the boy was ananimously recommended to the position of chief page in the next egislature.

The boy's name is Cicero Alex inder, son of Mark Alexander of Ninth street, Charlotte: "Gentle men, I certainly thank you," was the brief speech he made, and his remark excited thunders of ap olause

Mr. T. D. Manus, delegate from 'abarrus, announced that he had given the boy the dollar and forgot o get the change. He wanted this honest newsboy to keep the 95 ents as his contribution to the sonvention fund.

The Problem of "Blind Tom."

The death of "Blind Tom," which ccurred in Hoboken, N. J., a few lays ago, removes a unique char acter. He was known from ocean o ocean for a remarkable musical off. His case is one to puzzle the lienist and to engross the philoso pher. It arouses anew speculation as to whether genius is the border line of madness. "Blind Tom" had genius of a peculiar kind, yet he had not the ordinary mental equip-

ment of a negro of his place and irroundings. play the most difficult musical ompositions on the piano after hearing them but once, he was not possessed of ordinary intelligence. A genius and a fool. He was one of a family of twenty three chil-

The Bank of Union,

Progressive people everywhere regard Banks as business necessities. Those who fail to patronize them incur unnecessary danger and do themselves positive injustice.

Deposit Your Money in the Bank of Union.

It was expensive, but the Bank has a Corliss safe and prospective depositors would do well to re-member this. Everything possible has been done to earn the confidence of the people and make their money safe. Call and confer on any financial matter. You may learn something to your advantage. You are always welcome.

The only sanitation for the fami lies dwelling in this dreadful house A Revelation. It is a revelation to people, the severe cases of lung trouble that bave been ured by Foley's Honey and Tar. It not only stops the cough but heals and strengthens the lungs. L. M. Ruggles, Reasnor, lowa, writes: "The doctors said I had consumption, and I go to better until I took Foley's Honey and Tar. It stopped the hemorrbages and mite that counts. Well, Hawley ome contamination. It has much rubbish, it is vilely unkempt, it seems to exude vileness. The water

supply in the house consists of one common tap for each floor, placed in the hall. Formerly even these ist, and the overwrought women that live in these houses were obliged to carry in pails up the

steep stairs the water supply, each for her household. The water tap on each floor was commanded by the new tenement house law, and it was this feature of the law that

Trinity most opposed. In the rear, reached by a narrow passage, is another tenement house, a four story brick building, occu-

pied, when I was there, by seven families. If the front tenement is bad, what shall we say of the tene-ment in the rear! Whatever is arrival here." abominable in the one is more abominable in the other. The gloom is worse, the ventilation is worse, the aspect of dreary decay and neglect is worse. Some of the dwel-lers in the front house can get air and light; most of the dwellers in the rear house can get very little of either. When the building was new and clean, it might have been a tolerable place in which to house horses-temporarily; say for a day.

It was never, at any time, a tolerable place in which to house hu-man beings. For fifty or sixty years it has been unfit for anything except burning. How would you to draw an income from the maintaining of such a placet You would want to have the money disinfected before it touched your hand, would you not! Lest into your presence it bear some odor of the rear tenement, or some bacteria from the interior bedrooms, or from

the filthy courts.
