ANNOUNCEMENT!

To the Trading Public:

We announce the opening of our new store, Shute's former stand, Franklin and Hayne streets, Monroe, N. C., and ask a share of your patronage.

We have a complete line of new goods---not an old piece of goods in the house.

We have been in business in Monroe over eighteen years and know the needs of the people of this section and in buying our new stock we have made use of our knowledge of the needs of our trade and our past experience.

We have a stock to suit all classes and all we ask is that you come and see and hear prices.

We Carry a General Stock

And Can Give You Satisfaction.

We appreciate your patronage in the past and ask our old friends and customers to come to see us in our new place, where we are better than ever prepared to serve you, and if you are not a customer of ours this is a special invitation to you to become one.

We quote just a few prices---simply a reminder of our bargains---and there are lots of other bargains in our store just as good as the ones here mentioned.

Shoes Shoes Shoes

We carry the Craddock-Terry Long Wear shoe and other makes and can sell you a pair of shoes from 50 cents up.

Come along and bring the whole family and we will fit every one of them from the tiny baby to the largest man with shoes and at prices that will make them sell.

GROCERIES

We need not start to tell you the different articles carried in our large grocery room as it would take too long to do that, but we want to tell you that we have everything in the way of heavy and fancy groceries.

A good grade of Parched Coffee at 12 1/2 cents a pound.
Tartlett Cheese at 20 cents a pound.
