We Welcome SMALL Depositors.

Did you ever stop to think that a hundred small accounts make a bank stronger than a dozen large ones? That is one of our reasons for urging the man of limited means to transact his business with us.

Large accounts are welcome too, for it is our purpose to serve ALL the people.

It matters not what amount of money you will have to deposit, we will accept it at this bank. We welcome the small depositor; we extend to him the same consideration and courtesies accorded all our patrons. Our customers all know this.

This Bank is Controlled and Regulated by the the U.S. Government.

The First National Bank of Monroe.

HERE IS NOTHING that strikes terror to the hearts of parents more than to be awakened in the night by the ringing cough which accompanies an attack of croup. The child may retire with nothing but a slight cold and a few hours later the family be aroused by the ominous symptoms. Every home where there are small children should be prepared for these sudden attacks, as prompt treatment is necessary. Do not experiment with remedies of doubtful value, but get

CHAMBERLAIN'S COUGH REMED

to fail. Mr. Homer Krohn, of Lisbon, lowa, in a letter to the manufac-turers of Chamberlain's Cough Remedy praises this medicine for what it has done for his children. He says: "It has not only saved them once but many a time. Only two weeks ago my boy had the croup so bad in the night that had it not been for having a bottle of Chamberlain's Cough Remedy in the house he would have choked before a doctor could have gotten to the house. It is a medicine that no one should be without at any time." It is pleasant to take and many children like it. "We guarantee every bottle of Chamberkain's Cough Remety," says W. M. Parish, Palmerston, Ontario, "Out of the many bottles sold last winter nod one was re-turned. We recommend it espe-cially for children with eronp." Chamberlain's Cough Remedy is famous for its prointy curses of coughs, colds and eroop. When given as soon as the child becomes hoave an attack of croup may be averted. This medicine is estimally free from marcotics or injurious sub-stances of any kind and may be given to the little ones with abso-lute safety. "We guarantee every bottle of

Attacks of croup are most likely to occur during the early winter months, and every family with young children should be prepared for it. Keep a bottle of CHAMBERLAIN'S COUGH REMEDY in your home. It only costs a quarter, arge size 50 cents. Your druggist sells it. 🦿
