

MARSHVILLE WANTS HOUSES.

New Citizens if They Had Room.
Mr. Contz Griffin Grows Lemons
—A Death.

Marshallville Home.
 Leroy Austin, 12-year old son of Mr. J. A. Austin of Fairfield, fell off of a wagon one day last week and was badly injured by his front teeth striking the wagon tire. The upper row of teeth were broken almost entirely off. He was carried to Charlotte where the wound was dressed as best it could be, but he is not yet able to talk.

The present demand for residences in Marshallville suggests that several more ought to be erected—enough to at least supply the demand of those who want to live in our town. Numbers of men have intimated recently that they would move their families to Marshallville if they could just get a house, among whom is Ex-Sheriff B. A. Horn of Monroe.

Mr. E. C. Griffin perhaps has Florida growers "skinned a mile" on growing large lemons. On his tree this year Mr. Griffin grew several good sized ones, the largest of which measured 15 1/2 inches in circumference. One of these lemons was used in making lemonade at the Marshallville drug store a few days ago and produced enough juice to make five glasses of this delicious drink. The flavor was very much better than that of ordinary fruit.

Messrs. Thos. Meigs and Marshall Nash have purchased Mr. T. M. Edwards' interest in the plant of Marshallville Blacksmithing Company. Mr. Edwards has bought a farm near Gilboa from Mr. W. M. D. McCall of Charlotte, and will move his family to it at an early date.

Mr. A. A. Tarlton of Goose Creek township died last Tuesday of typhoid fever, aged 29 years. Besides a wife and four small children, he is survived by his father, Mr. W. A. Tarlton, three brothers and three sisters. Messrs. J. M., B. L. and H. S. Tarlton are the surviving brothers and the sisters are Mesdames Tom Little, Jacob Smith and Elias Purser. The remains were buried Wednesday at New Hope Baptist church, of which he was a member, and funeral services were conducted by Rev. A. Marsh.

Elder J. F. Mills of west Marshallville township killed a hog last Tuesday that weighed 510 pounds. At the present price of meat that hog is worth something like seventy dollars.

Mr. B. H. Griffin has purchased sixteen acres of land in southern part of Marshallville from Mr. H. B. Marsh. Mr. Griffin will erect a residence on this property at an early date.

The neighbors of Mr. A. C. Griffin of south Marshallville township, who recently lost his barn, corn crib and cotton house by fire, are taking steps toward erecting for Mr. Griffin a new barn.

Mr. J. W. Thomas has moved from his farm, two miles north of Marshallville, into the G. W. Bailey residence, in the northern part of town. Mr. Thomas has rented his farm to Mr. Lex Nash.

Messrs. Ray Ashcraft and George Tadlock moved their families to Ladylake, Fla., last week, where they will spend a few years saving up a lot of timber which Mr. V. A. Ashcraft recently purchased at that place.

How the Next House Will Stand.

The Democratic representation in the next House will be 227 as against 163 Republicans and one Socialist, according to the roster of the House published today. These figures give the Democrats a majority of 63 and a plurality of 64.

According to this publication, Kansas is the only State of any size which has a solid Republican delegation. A number, however, contain only one Democrat, among those thus included being Iowa, Minnesota, California and Wisconsin.

All of the Southern States have solid Democratic delegations, except Maryland, Virginia, Kentucky and Tennessee. Maryland and Virginia each have one Republican, while Tennessee and Kentucky each have two members of that party. Colorado is possessing a much larger representation entirely by Democrats, but Indiana, possessing a much larger representation, presses close upon her heels with twelve Democrats out of thirteen members.

Illinois has eleven Democrats in her membership of twenty-five; Massachusetts, four out of fourteen; Michigan, two out of twelve; New Jersey, seven out of ten; New York, twenty-three out of thirty-seven; Ohio, sixteen out of twenty-eight; and Pennsylvania, nine out of thirty-two. Missouri's delegation consists of thirteen Democrats and three Republicans.

The Nebraska delegation is evenly divided—three and three—as is Maine's—two and two. Oklahoma has two Republicans and three Democrats. Washington is represented by three Republicans. All of the States having one representative only are Republican.

Business.

It ought not to be a difficult matter for one having money to decide where it should be deposited. Service, safety and satisfaction are guaranteed at The Bank of Union. Who could ask for more from any bank? If this is not sufficient for any one hesitating about the matter, then the record of this bank, and the good it has done, should be remembered. If these things are taken into account, and properly appreciated, the result is a foregone conclusion. There are a good many new banks springing up all over the country which tend to divide up the deposits, but The Bank of Union is not making any fight on these and never will under its present management. It prefers to appeal to the people and the business interests and stand upon its own merits. Its policy is to build up and not to destroy any legitimate enterprise. Those who have done business with this bank are best able to testify and say whether it merits the confidence of depositors; and every one is cordially invited to see and know for himself. Farmers selling cotton are specially invited to become depositors at The Bank of Union and, after leaving their money with this institution, they can go home feeling easy, satisfied and able to sleep when night comes.—Adv.

Not Sorry for Blunder.

"If my friends hadn't blundered in thinking I was a doomed victim of consumption, I might not be alive now," writes D. T. Sanders of Harrodsburg, Ky., "but for years they saw every attempt to cure a lung-racking cough fail. At last I tried Dr. King's New Discovery. The effect was wonderful. It soon stopped the cough and I am now in better health than I have had for years." This wonderful life-saver is an unrivaled remedy for coughs, colds, la grippe, asthma, croup, hemorrhages, whooping cough or weak lungs. 50c., \$1. Trial bottle free. Guaranteed by English Drug Company.

For one week only, we will sell you for cash 5 pounds of the celebrated Tarbell Cheese for \$1.00. This is the best full cream cheese made, as every honest man will acknowledge. Bruner & Huey.

Local Bits.

Rev. W. R. Blackwelder was appointed pastor of the Monroe circuit by the Methodist Protestant Conference, held recently in Kernersville.

Mr. J. C. Simpson has sold his farm in Goose Creek township to Mr. Guthrie Haigler and has bought the A. H. Boyte homestead and moved to it.

Mr. J. C. Little of Stanly county has bought the John C. Sikes homestead on Rocky river, in this county, and will move to it in the near future.

Mr. J. R. Hargett of east Monroe township and Miss Artha McManus of Buford township were married on the 16th inst., at the home of the bride's parents. Elder Walter Edwards performed the marriage service. Mr. and Mrs. Hargett are popular and deservedly so. May the best in life be theirs.

In the removal of the office between the residences of Messrs. A. M. Crowell and G. W. Flow, on Jefferson street, an old landmark is gone. Mr. Crowell, who owns the building, is having it attached to his "Yankee" house down on Crowell street and it will be used for a kitchen. This office was first used by Dr. W. C. Ramsay. Mr. J. J. Vann occupied it after Dr. Ramsay left it and it was his law office at the time of his death. The late F. H. Whitaker used it for a law office after Mr. Vann's death. Its last occupants were Messrs. J. M. Fairley & Sons, cotton buyers.

Mrs. E. C. Helms of Pike county, Ark., died on the 11th inst. Mrs. Helms and family moved from Goose Creek township, Union county, to Arkansas in 1899, where she resided until her death. She was a member of the Primitive Baptist church and was a good mother and devoted christian woman. She had been in failing health for some time. She was 66 years old and leaves several children, namely Mrs. E. H. Simpson and Mrs. S. A. Griffin of North Carolina; and Mrs. E. A. Williams, Mrs. J. F. Moody, Mrs. P. W. Revelle, Mrs. C. A. Hedrick, Mrs. C. M. Self and Mrs. Cleve Shafner and Mr. Jas. A. Helms of Arkansas.

Progressive Changes by Eflord and Dees.

Laurinburg Exchange.
 The firm of Eflord & Dees, marble men, with yards at Monroe and Laurinburg, and who have been doing business over several counties along the Seaboard for the past several years, have decided upon a change which will enable them to greatly enlarge their output. They have equipped their plant at Monroe with a modern equipment of machinery and employed several more men of experience there. They will do all their work at that place, supplying this section from that point. This plan will enable them, says Mr. Dees, to put out a greater quantity of work, quicker and more satisfactorily and at reduced cost. Mr. Dees, who has been in charge of the yard in Laurinburg and has made his home here for the past two years, will continue to live here, making this his headquarters from which he will work this section and Robeson county and other counties east.

Saves An Iowa Man's Life.

The very grave seemed to yawn before Robert Madsen of West Burlington, Ia., when, after seven weeks in the hospital, four of the best physicians gave him up. Then was shown the marvelous curative power of Electric Bitters. For, after eight months of frightful suffering from liver trouble and yellow jaundice, getting no help from other remedies or doctors, five bottles of this matchless medicine completely cured him. It's positively guaranteed for stomach, liver or kidney troubles and never disappoints. Only 50c., at English Drug Company's.

Going to Quit the Business

January first I will change my business, and till that date I will sell my stock of Jewelry at cost, and some pieces will go even below that figure. Now is the time to get that pretty bit of Jewelry or Silverware you have been wanting so long. All the stock is going to be sold and you had as well get the advantage of it as any one. :: :: :: :: :: :: :: :: ::

Watches and Clocks, Silverware, Rings, Chains, Bracelets, Fancy China, Cut Glass, and a full stock of things ordinarily kept in a first class Jewelry store. Some big bargains in Diamond Rings.

Everything is going to be cut. This is a genuine sell-out sale and nothing will be left. I am going into the automobile business, and must get rid of my Jewelry at once so as to have time to make alteration in store and get ready for new business. So come along and get the bargains that no one has ever before offered you. Respectfully,

W. S. KRAUSS.

Net Cost in Life Insurance

In the future the struggle amongst mutual life insurance companies will be to give insurance at the lowest possible cost consistent with the necessary maintenance of resources and a sufficient surplus to guard against contingencies. The tendency in this direction began with the agitation resulting from the New York legislative investigation in 1906. Soundness, solvency, assured ability to meet all its contracts will always be the first test of the quality of a life insurance company. Next to this will be the cost at which it provides the protection afforded by life insurance policies.

Below we give the experience which a policy-holder would have had if he had insured for \$10,000 in the first half of 1906, at the age of 35, taking whole life policies, and using his dividends to pay premiums, in the companies named in the table:
