

BARGAIN TREAT OF THE YEAR!

A WHOLE STOCK OF GOODS AT UN-HEARD OF PRICES!

The Buyers' Picnic Will Begin on Saturday Morning, May 6th, at Nine O'clock.

New Firm Will Open Business With a Sale That Will be a Record Breaker!

As you have seen from the papers, we have bought the W. W. Horn bankrupt stock at a very low figure. We will pass the bargains on to the buying public. This stock is new. The fire that cleaned up the old stock of Mr. Horn occurred in August. What the fire did not destroy Mr. Horn sold out at special sales. Then he began buying a new stock. Thus you see, he had no chance to have old goods when he failed. He had a Creamy, New Stock of Goods. We got them; you can get your part by being on hand when the sale opens. The prices will astonish you and the goods will not last long.

We Name Below Only a Few of the Many Bargains:

Clothing!

All \$17.50 and \$20.00 Suits \$10.98
 All \$12.50 and \$15.00 Suits \$ 9.98
 All \$ 7.50 and \$10.00 Suits \$ 4.98
 Cheaper grades in proportion.

All these goods are fresh and up-to-date. No short coats or out-of-date styles. All of the new shades and patterns. Mr. Horn was a fine buyer of clothing and he bought only reasonable, good stuff. The stock is just as he bought to sell in competition with up-to-date competitors, and had it not been for our good luck in getting this stock, you would today have no opportunity to buy such goods at unheard of prices. All spring weights. If you want a spring suit or one good to wear at any time, this is your chance to buy. In fact you can save money by buying these suits and laying them away if you do not need one now.

Odd Pants That Were Never Opened!

In this stock were a lot of odd pants that had just come in and had not been opened when Mr. Horn failed. These goods were taken from the boxes for the first time when we bought the stock. They have never before been offered for sale and have never been handled. Here is an example of the way we will let them go:

\$4.50 to \$6.00 Pants \$3.48
 \$3.00 to \$4.50 Pants \$1.98 to \$2.48
 Cheaper grades in proportion.

The Biggest, Cleanest and Best!

Boys and Children's Suits and Odd Pants to be sold regardless of manufacturer's cost.
 \$7.50 to \$10.00 goods \$4.98
 \$5.00 to \$ 7.50 goods \$2.98
 Have you ever seen the like before. Cheaper grades in proportion.

1775-Pairs of Shoes-1775

That many pairs of boys, men's, women's, children's and lady's shoes in this stock that are almost given away so great is the reduction. REMEMBER THIS ALL NEW STOCK AND THE VERY BEST STYLES. These goods are as staple as bread and meat. We could carry them over and get much higher prices for them, but as we said in the beginning, this stock is to be sold in its entirety for the benefit of our customers, and nothing is being held back. To mention the makes of shoes is sufficient to guarantee that our words are true. They are Clapp's, Kneeland's, Endicott, Johnson & Co.'s, and others equally well known. PRICES TO JAR YOU!

\$5.50 to \$6.50 lines \$3.98 to \$4.74
 \$4.50 to \$5.50 lines \$2.98 to \$3.48

That is only a sample. They come down in proportion. And the ladies and children's shoes in this lot are equal to the men's in style make and price. This is the time, in fact, to supply your whole whole family.
