each policy. Other specially attractive features. Ask for explanation

G. B. CALDWELL **District Agent** 

## Big Season at Famous Rocky River Springs.

The famous health resort, Rocky River Springs, 7 miles of Norwood, Stanly county, which had guests last season from 20 States, will open June 1st. Complete electric light plant and water works. Great 4th of July ball, which brought 8,000 people last year, will take place Tuesday night, July 4th. Auto rates from Norwood, \$1.25; from Wadesboro, \$2.00. During the hot summer weather, thousands forsake their business, and as many lay aside domestic responsibilities, and go—some in search of health, others in pursuit of ease and pleasure. To either class or the two combined, Rocky River Springs offers unusual advantages. To those in search of health, nature provides its remedies in varied forms. A system of four springs—Arsenic, Magnesia, Sulphur, and Iron, all in close proximity, cannot be duplicated the world over. Eye-sight is not restored to the blind nor is the paralytic made whole, but disease in all of its forms must and does yield to the vitalizing, curative powers of these waters. If stomach troubles and impaired digestive organs leave life languishing, the stomach pump may be discarded, the light cereals forgotten, and tired nature can here yield to the craving demand of the appetite. We speak with positive records and results before us, and know that the most stubborn cases of dyspepsia and indigestion yield to the curative properties of the waters within a few days' time. Guests during the past seasons who had subsisted on milk and cereals for years were restored to their normal condition within 15 to 20 days time. Singular and marvelous are the results, but they are beyond dispute. Catarrh of the stomach and inflammation of the bowels and bladder find a complete and absolute cures of Diabetes and Bright's Disease. These awful maladies in their last stages have been made to give up their hold upon the human system and all traces absolutely vanish. Diseases of the blood, rheumatism, eczema, old sores and other diseases find a complete specific here. RATES—Per week: (two or more persons in one room) \$8.00 e
