

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak, or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use **Dr. Pierce's Golden Medical Discovery**. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and **GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.**

Young Woman Burned in Cabarus Home.

Concord, Nov. 2.—The home of Mr. John R. Bradford in No. 3 township, this county, was destroyed by fire about six o'clock this afternoon and his daughter, Miss Bettie Bradford, about 30 years old, lost her life in the flames. The house was razed to the ground and practically all of the contents were lost. The house was a substantial two-story structure and the loss is quite large, the exact figure being unobtainable at this hour. The insurance will only partly cover the loss.

The fire started in the kitchen from a defective flue and in a few moments had spread to other parts of the house. When discovered it was seen that the building was doomed, and Mr. Mack Bradford, who was at home at the time, assisted his aged father from the house, while Miss Bettie, followed by a negro farm hand, rushed up stairs to save whatever possible of the household effects. While they were up the rear roof fell in and apparently cut off the only avenue of escape. In some way, however, the negro reached the stairway and fell down, being pulled to safety in an exhausted condition. Miss Bradford was never seen after the roof gave way, until her charred remains were found in the smoking ruins several hours later.
