

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

Dr. Pierce's treatment will cure you right in the privacy of your own home. His "Favorite Prescription" has cured hundreds of thousands, some of them the worst of cases. It is the only medicine of its kind that is the product of a regularly graduated physician. The only one good enough that its makers dare to print its every ingredient on its outside wrapper. There's no secrecy. It will bear examination. No alcohol and no habit-forming drugs are found in it. Some unscrupulous medicine dealers may offer you a substitute. Don't take it. Don't trifle with your health. Write to World's Dispensary Medical Association, Dr. R. V. Pierce, President, Buffalo, N. Y.,—take the advice received and be well.

TAKE IT OUT ON CHILDREN.

The Woolen Trust Resorted to by Broken Trust and Subjugate its Striking Laborers. Washington Correspondence.

The woolen trust, having found out that bayonets would not compel its \$6, \$7 and \$8 a week workers to call off their strike, is now utilizing the hunger of little children as a club to force the parents to return to their work at reduced wages.

Here is how the trust is working its scheme:

Many charitable organizations in cities adjacent to Lawrence, where the strike is in progress, after reading of the desperate straits to which the strikers' children had been reduced, made arrangements to have hundreds of those children cared for in private homes outside of Lawrence until the strike ended. Under this plan, many children were sent away, some to New York and Boston, and some as far away as Philadelphia.

With the knowledge that their children were being cared for tenderly, the mothers and fathers back in Lawrence gained courage to carry on the fight. Freed from hearing their own children crying for bread, the strikers took renewed hope.

What happened? The trust magnates, realizing that if all the little children were sent away from Lawrence the strikers could longer endure the struggle, at once issued orders to the surville police and militia commanders to put a stop to the deportation of children. They knew that where bayonets, persecution, unlawful imprisonment, and all other ordinary weapons of big corporations in fighting the unions might fail, there remained one thing which the strikers could not long resist and that was the cry of their own children for bread. These millionaires knew that where strong men and women could suffer in silence themselves, they could not long bear to see their children suffer.

Accordingly there was issued an edict against sending the children away where they could obtain food. Immediately a squad of state soldiers was sent to each railroad station, and when the strikers arrived with their children many of them were seized and thrown into jail.

Diabolical is this may seem it actually is being done, not in Russia, but right here in these United States.

The woolen trust is the most highly protected of all trusts. It makes millions of dollars in profits annually in profits on stock that is watered until it is soggy, and it is the same trust which refuses steadfastly to listen to the plea of its men for a conference to talk over wage differences.

Query: Since the protectionists declared that schedule K, which places a heavy tax on every article of woolen clothing sold in the United States, was passed "solely" to "protect" the workers in the woolen industry, and since these workers are receiving absolutely no protection whatever, why should the American people longer tolerate Schedule K?

Warming Up in Anson. Messenger and Intelligencer.

County politics, especially as relates to candidates to the Democratic nominations for the Legislature, has warmed up considerably in the last few days. Messrs. R. E. Little and T. C. Cox are avowed candidates for the State Senate and the friends of both are active in their behalf. Each of them is well known and popular in the county and the race is likely to be of unusual interest. Mr. Little represented Anson, Union, Richmond and Montgomery in the Senate in 1888 and 1902. Mr. Cox represented the county in the Lower House of the General Assembly in 1909 and 1911.

The name of Mr. E. L. Huntley of Gullidge township has also been mentioned in connection with the race for Senator, but Mr. Huntley, who spent yesterday in Wadesboro, informed a representative of the M. & L. that owing to other duties he had decided not to become a candidate.

Mr. J. W. Gullidge announced his candidacy for the nomination for the Lower House some time ago, and yesterday Mr. F. E. Thomas let his friends know that he was also in the race. Both Mr. Gullidge and Mr. Thomas are well known lawyers of Wadesboro and each of them has many friends and supporters.

How's You, Mars Jesus? Wadesboro Messenger.

Mr. Eli Horne of Gullidge township, recently received a letter from his uncle, Mr. E. P. Green of Georgia, in which he related an amusing incident in connection with an airship. One had, a few days before, passed through his community, coming from Los Angeles, Cal., and made the trip from where he lived to Thomasville, a distance of five miles in six minutes. He said that one came down in a field where some negroes were picking cotton, and they all took to their heels, except one poor old crippled fellow. And when the captain of the machine walked out, the old negro thought he was from heaven and he said:

'How is you, Mars Jesus, an' how is your Father gittin' on?'

Dr. Francis S. Packard,

of Greensboro, N. C.

One Day Only—Consultation and Examination Confidential, Invited, and FREE.

From a Late Snapshot

To see all of his regular Patients and such new Cases, as may wish to consult him. Dr. Packard enjoys a state wide reputation, among the profession and the Public of North Carolina, where for more than 25 years he has devoted his entire time to the Study, Treatment and Cure of Chronic Diseases. The Doctor has had wonderful success in his chosen work, that of curing chronic sufferers, Men, Women and Children. The Patients he has restored to Health after they had given up all hope of being Cured are numbered by the Thousands. He is a kind, generous, democratic gentleman, and dignified personality. Coupled with a Brotherly interest, in all who seek his advice, he does not take a Patient for Treatment unless he can foresee a Cure of the Case. The most commendable feature of his work, and one that appeals to the ordinary sick person, is the fact of his charges being so reasonable and moderate as to make it within the reach of even the very poor. At no time do the charges amount to more than \$7.00 a month or about \$1.50 a week. He gives his own medicines, and there are no extra Charges. It takes him never more than from four to six Months to Cure a Case under Treatment. All Cases, even those who have been given up as Incurable or Hopeless, have been Cured and restored to perfect health by this Brilliant Physician and the wonderful methods he employs.

If you want to meet him and have him examine you, go to see him, and talk the matter over with him. It will cost you nothing if he does not put you under treatment. If he takes your case, it will cost you a very small sum to get well.

"Clean Up the Bowels and Keep Them Clean"

There are many remedies to be had for constipation, but the difficulty is to procure one that acts without violence. A remedy that does not perform by force what should be accomplished by persuasion is Dr. Miles' Laxative Tablets. After using them, Mr. N. A. Waddell, 315 Washington St., Waco, Tex., says:

"Almost all my life I have been troubled with constipation, and have tried many remedies, of which seemed to cause pain without giving much relief. I finally tried Dr. Miles' Laxative Tablets and found them excellent. Their action is pleasant and mild, and their chocolate taste makes them easy to take. I am more than glad to recommend them."

"Clean up the bowels and keep them clean," is the advice of all physicians, because they realize the danger resulting from habitual constipation. Do not delay too long, but begin proper curative measures.

Dr. Miles' Laxative Tablets are a new remedy for this old complaint, and a great improvement over the cathartics you have been using in the past. They taste like candy and work like a charm. A trial will convince you.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory after trial, return the box to your druggist and he will return your money.
