

Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability and her power and prestige as a woman. Dr. R. V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.

**IT MAKES WEAK WOMEN STRONG,
SICK WOMEN WELL.**

Dr. Pierce's Pleasant Pellets regulate and strengthen Stomach, Liver and Bowels.

REHOBETH'S RECORD.

Fine Old Country That Has Sent
Out Many Useful Men and Women.

Cor. in Waxhaw Enterprise.

Good old Rehobeth! We doubt if any other public school community within the broad borders of old Carolina can surpass you in the number of noble men and women that you have sent out to fill the hungry wants of trade, business and ruling of the home. Below we append a list of Rehobeth people, most of whom were born here and all of whom spent their budding lives within Rehobeth school district. But like King Phillip of Macedonia, they have forsaken their ancestral homes in search of wider kingdoms. Rehobeth was too small for them. Good old Rehobeth, well may you be proud that among all these, your sons and daughters, there is not one whose life has been a failure! The seed you sowed in their early lives is heaping the ripened fruits of success round them. They are part and parcel of the great world of progress that is being built by the people of "God's own country."

In several cases where the husband was not a Rehobeth man, his occupation for the sake of brevity is given as applying to his wife. We are sorry that our ignorance of local history does not permit of our giving a more complete roster of our absent ones. Will those whom we possibly may have overlooked, kindly accept the above explanation?

THE BANK OF UNION,

Capital \$50,000.00 :: Surplus \$40,000.00

Our record should appeal to those having money to deposit, but we do not stand simply on what we have done. We call your attention to that record of service as furnishing plentiful reason for your appreciation and as evidence of what we may do, but we lay special stress on what we have to offer now. Those who have sufficiently tested the matter know they have received fair treatment and those best acquainted know that the BANK OF UNION was never in better shape to render good service than now. Competition at the outset produced antagonisms and new banks springing up have caused competition to become keener, but the BANK OF UNION will go on the even tenor of its way and people now standing aloof had better avail themselves of the facilities of THIS BANK and the success coming to them by reason of such a banking connection. We appreciate the business that has crossed our counters and we welcome new customers all the time.

Respectfully,
THE BANK OF UNION.
