press or mail cars. The amount stol eruptions. en from passengers is believed to had given up \$300.

Washington Dispatch, 14th.

President Wilson let it be known today that he opposes a return of "spoils system" of postoffice appointments and will veto the postoffice appropriation bill now before exempting assistant postmasters from

the classified service is elimnated.

The President, E is understood. has decided to call a halt to what vocates as a tendency in Congress missionaries were stationed at Kago has been charged by civil service adto break down the merit system. He was confronted in the tariff, currency and urgent deficiency bills with the civil service problem, but in signing these measures took the signing these measures took the employes in the classified service had not been awakened and that the merit system could be applied.

The "ricer" in the postoffice ap-propriation bill would give the Postmaster General the right to revoke hte appointment of any sistant postmaster "and appoint his successor at his discretion."

Postmaster General Burleson recently wrote Representative Moon, tee, opposing the proposal, but it was not withdrawn. The President is soon to inform House leaders of

Shot Two Sparrows and the Cost Was 8200 Each

Two sparrows, which he shot while searching for a Christmas tree a few days befor Chris mas, cost Rulphael Lembardo, a contractor of At-lantic Chy, N. J., \$200 each, to say nothing of counsel fees and the cost of the trial, which amounted to another \$50.

Besides he was held in \$2,500 ball to answer the charge of threatening to shoot a game warden, the penalty for which is 15 years' imprisonment and \$5,000 fine. It was testified at the hearing that Lombado had threatened to shoot the game warden when the latter attempted to arrest him for killing the sparrows.

Richard Bowdish, secretary of the State Audubon Society, identified the sparrows as being of the insectivorous variety, for which there is a fine of \$200 for each bird killed.

Thousands Attracted to Ford Plant By Profit-Sharing Announcement.

A crowd of men estimated at 10,-000, seeking employment Monday at the Plant of Ford Motor Company at Detroit, Mich., started serious rioting when they were told that work could not be given them. Mis-siles were hurled through the windows and doors of the factory. After crowd the rioters dispersed. Five arrests were made.

Announcement by the company of a \$10,000,000 profit-sharing distribu tion among its employes in 1914 has brought thousands of employment seekers to the plant during the last
