

Local and Personal.

Hon. T. J. Jerome of Salisbury was a visitor to the city Wednesday.

Mr. T. K. Fletcher of Kershaw was in Monroe Wednesday.

Mrs. Earl Heath of Waxhaw is in the city for a few days.

Miss Beuna Bailey of Marshville is the guest of Mrs. Cunningham for a few days.

Mesdames W. F. Biddell and C. F. Ballard of Peachland were in the city yesterday.

Dr. J. W. Lynch of Athens, Ga., will preach in the Baptist church Sunday morning and evening.

Mrs. Roscoe Phifer and Misses Ola Bruner and Linn Mahone spent Tuesday in Charlotte.

Misses Florence Edgeworth and Burnice Shannon attended the commencement at Waxhaw Wednesday.

Rev. R. H. Kennington will preach at Grace Chapel next Sunday at 11 o'clock.

Mr. O. J. Sikes of Albermarle is spending some time here with relatives.

Arch Deacon W. H. Hardin of Salisbury is the guest of Mr. T. P. Dillon for the day.

Mr. David Fletcher and niece, Mrs. Horton, of Westville, were here Wednesday to attend the funeral of Mr. J. C. Fletcher.

A. G. Allen's Big Minstrel Show will appear here April 28th, presented under a mammoth water-proof canvas theatre.

Mrs. John Leak and Miss Eugenia Little of Wadesboro attended the funeral over the remains of Mr. J. C. Fletcher Wednesday.

On account of the annual sermon at Unionville, there will not be the usual preaching at Oak Grove Sunday afternoon.

Little Miss Eugenia Lockhart celebrated her twelfth birthday Monday afternoon. Twenty-four of her little friends helped her to enjoy the pleasant event.

Mrs. J. Y. Jenkins of Chicago arrived last night to spend some time with her mother, Mrs. J. C. Fletcher. Mrs. Jenkins could not reach here in time to be present at the funeral of her father.

Mrs. E. N. Wood and child arrived this week from Richmond to join Mr. Wood, superintendent of the Monroe Ice and Fuel Company, and will make this their home. They have taken rooms at Mrs. R. T. West's.

Mr. W. D. Little, editor of the Albemarle Enterprise, and Mr. R. L. Brown of Albemarle spent some time in Monroe Thursday. Mr. Brown is a candidate for solicitor of this district, and has the endorsement of the Democrats of his county.

Mr. G. T. Slattery of Hamlet came to the city yesterday to take his little son, Herman, home. Herman has been with his aunt, Mrs. Earl Shute, for some time while his mother has been in the hospital in Columbia for treatment. The friends of Mrs. Slattery will be glad to know that she is improving.

Stanly county Democrats held their convention in Albemarle Saturday and nominated the following officers: For representative, Luther Post; for senator, J. S. Efrid; for sheriff, Blalock; for register of deeds, Boyte; for clerk, Corgin; for treasurer, Furr; for commissioners, T. S. Parker, A. F. Mabry, George Dry.

Some of our progressive citizens who are usually interested in such things are making an effort to secure an up-to-date baseball team for Monroe. They will compete for the State championship for the summer. The season will last six weeks. All of the players have not been chosen, but it is certain Monroe will have a strong team.

A run-away occurred yesterday morning in front of Dr. Redfern's residence. The horse, belonging to Dr. J. W. Neal, was hitched to a wagon and was driven by William, the son of Dr. Neal. George Blakney, colored, was also in the wagon. The horse became frightened in front of Dr. Redfern's and ran east, running into a post in front of Mr. Charles Ieeman's residence. The impact threw both of the occupants out and demolished the wagon. The negro was seriously injured, but the little boy William escaped.

Mr. A. J. Green received a telegram this morning from the State Hospital at Morganton telling him of the sad death of his only son, Thomas, who had been placed in that institution for treatment. This ended the sad story of a life. Thomas was born in 1892, thus at the time of his death had just entered manhood's estate. He was a particularly bright child until his 13th year. At that time he was in the 8th grade. At this time he suffered a nervous breakdown from which he never recovered. The best medical attention was given him at his home, until it was seen that it was best for all concerned to place him in the State Hospital, where experts could be constantly with him. He was taken there two years ago this coming June. It was known for some time past that his mind and body was hopelessly impaired. He was never violently insane, but suffered a gradual wasting away of the tissue of the brain and nerves. The end was not unexpected as the frail form was constantly weakening. Tommy Green, as he was known, was a good boy, and during his normal state was a constant attendant at Sunday school. The remains arrived here this morning at 5:40 and were carried to the home of his father at No. 503 North Main street, where the funeral will be conducted at 3:30 this afternoon by Rev. Drs. Weaver and Gurner.

Clean Up Day.

Thursday, April 30th, has been officially named by Mayor J. D. McRae as clean up day. All citizens of Monroe are requested to clean up light rubbish from their premises, and place same in an accessible place to the streets. The city will furnish teams and hands sufficient to do all the moving in one day. Everybody will be expected to have everything in readiness for the street force to start hauling on the day named.

Clean up day is a modern custom that has been adopted by all progressive cities. Tin cans and rubbish heaps are excellent breeding places for mosquitoes, flies and other germ carriers. Protect yourself, your children and your fellow citizens by doing your part.

All About Wingate.

Correspondence of The Journal.

Mr. John Roberson has lost a valuable horse on last Sunday. The animal died rather suddenly from some cause unknown to the owner. The horse is said to have been worth something like two hundred and fifty dollars, which means quite a serious loss. Mr. Roberson has the sympathy of his neighbors in his misfortune.

Rev. J. W. Williams, pastor of the Methodist church here, filled his regular monthly appointment last Sabbath evening. Brother Williams is highly esteemed and his services are well attended by our people.

Eq. H. A. Redfearn has been confined to his room for some days from the effects of deep seated cold contracted some weeks ago. His friends hope for him a speedy recovery.

April 1914 is nearly a duplicate for the same month in 1907. The records of your correspondent show that in that year not a cotton bud was made in this community till about the 22nd of April. There is one difference, however—in that year the fruit was all killed, while the prospects for an abundance of fruit this year is exceedingly fine so far.

Mr. W. L. Foreman, a graduate of the Wingate High School, in a contest among the members recently, won the improvement medal awarded by the Euzelian Society of Wake Forest College. Hurrah for the Wingate School! They are prize winners, these Wingate school boys are.

The friends of Mr. Henry Sherrin will be glad to learn that his condition is fast improving. He is able to stir out a little at this writing. Mr. Boyce Sherrin, his grandson, is still watching over him and looking after his interests. Uncle Bob is well on his way toward his three score and ten mile post, yet he follows the furrow like a youngster. As a rule, the men of his day and generation are much stouter and can endure more hardship than the younger generation.

Mr. G. M. Stewart, our genial and highly esteemed townsman, has been confined to his room for some days, but his health is improving some now. All Wingate wishes for him a speedy and complete recovery of his normal health.

Everybody come to the commencement! The good things awaiting you will fully reimburse you for the time so pleasantly and profitably spent.

Miss Fannie Pounds, a maiden lady who lived with her brother, Mr. G. W. Pounds, died Wednesday afternoon. Miss Fannie's death resulted from a severe attack of pneumonia following a case of measles. She was about 73 years old and was highly respected and loved by all who knew her. She had been a consistent member of the Faulks Baptist church from her youth. She is survived by three brothers and one sister. The brothers are George, Benjamin and John Pounds, the sister is Mrs. Emaline Tadlock. The remains will be laid to rest in the cemetery at Faulks church this afternoon and the funeral will be conducted by Rev. E. C. Snider, the pastor.

Mrs. O. P. T. is the possessor of a rather extraordinary hen—Old Spot.

This hen has been a faithful contributor to the egg basket for at least eight years, has reared at least one, and frequently two, broods each year. She raised one family of ducks of which she seemed quite proud. She is now brooding over a dozen. I. R. duck eggs with delightful anticipation. Old Spot is not one of the "higherluten" educated hens that "sits," but just a plain old-fashioned, five-toed, hen that "SETS."

We are expecting a multitude of people out to hear Rev. Bruce Benton Sunday. Doubtless there is a rich and rare treat in store for his hearers.

We are also expecting something fine from Mr. McRae on Monday evening. O. P. TIMIST.
