WORK OF STATE BAPTISTS

Receipts For Year Over \$170,000—
Gain Over Last Year.

The total receipts of the treasurer of the Baptist State Convention this year are \$170,035.09, a gain of \$21,119.23 over last year, according to the annual report of Rev. Walter N. Johnson, corresponding secretary, which was presented to the convention at Elizabeth City this week.

The financial statement of Treasurer Walters Durham shows that the Baptists gave \$54,853 for State missions; \$33,699 for home missions, and \$47,923 for foreign missions.

The State mission work of the year includes 11,568 sermons preached; 319 churches served, 116 out-stations served, 2,211 baptisms, 1,583 added by letter, 447 meetings held, 3,487 conversions, 7 churches organized. \$35,432.87 paid in salaries, \$27,879.62 paid on churches, \$26.25 paid on parsonages, \$3,768 paid to orphanages, \$481.25 paid to ministerial relief.

Of the \$344,348 received last year by the Home Mission Board of the Southern Baptist Convention, North Carolina gave \$29,824; and of the \$517,323 received by the Foreign Mission Board, North Carolina gave \$31,148, says Mr. Johnson.

In his report to the convention he urges that during the approaching year stress be laid upon men's mission study classes, regular giving by the churches, compact pastorates and church building fund.

He recommends also that 150 Baptist pastors in North Carolina be asked to give at least one week to protracted meetings and enlistment work with mission churches, letting them meet in small groups in about ten different places for a two or three-day study and prayer before they go forth to do the work assigned. The board should pay all the expenses of this, Mr. Johnson thinks, and he estimates it will be equivalent to keeping one man in the field for an entire year.

"Unless we mistake the direction and the force of the deeper currents in the life and thought of North Carolina Baptists," he says, "the hour has struck for a great one-mission campaign for all lines of our mission work—State, Home, Foreign Missions, all—\$140,000 for all these by April 30."

Personal and Local From Route Six.
Correspondence of The Journal.

Monroe, Route 6, Dec. 6.—Dear "Journal family," I am still here. Don't think I have left the Journal circle. I have neglected writing because I have started to school and really have not had time to write, but here I am again with my short scrap of news.

Mr. and Mrs. Clarence Helms were the guests of Mr. and Mrs. Bunyan Helms Sunday.

Mr. and Mrs. Scott Long of the Bakers community spent Sunday afternoon with their parents, Mr. and Mrs. J. W. Haywood.

The box supper and spelling match which was given by the Hemby and Center Grove schools at Center Grove Thanksgiving night, was a fair success and an enjoyable occasion. The proceeds went to the benefit of the schools.

Mr. Duke Wentz and Master Walter Wentz spent Sunday at Altan.

Rev. M. D. L. Preslar preached a grand sermon at Sardis Sunday morning from the first chapter of Isaiah and the first verse and first four words: "In the Beginning God." Prayer meeting still at Sardis every Sunday night and much interest is taken.

Thanks to the Monroe Ladies.

Many doctors asked me to express their thanks to the ladies of Monroe for their very cordial hospitality during the recent medical meeting. The doctors say they received the most royal entertainment they have ever had; and they have visited many towns and cities.

The honor and the credit are to the Monroe ladies for these manifestations of kindness. Very resp.—H. D. Stewart.

COUGH MEDICINE FOR CHILDREN

Mrs. Hugh Cook, of Scottsville, N. Y., says: "About five years ago when we were living in Garbutt, N. Y., I doctored two of my children suffering from colds with Chamberlain's Cough Remedy and found it just as represented in every way. It promptly checked their coughing and cured their colds quicker than anything I ever used."

Obtainable everywhere.

SLOAN'S LINIMENT EASES PAIN.

Sloan's Liniment is first thought of mothers for bumps, bruises and sprains that are continually happening to children. It quickly penetrates and soothes without rubbing. Cleaner and more effective than musky plasters or ointments. For rheumatic aches, neuralgia pain and that gripping soreness after colds, Sloan's Liniment gives prompt relief. Have a bottle handy for bruises, strains, sprains and all external pain. For the thousands whose work calls them outdoors, the pains and aches following exposure are relieved by Sloan's Liniment. At all druggists, 25c.

At Spartanburg, S. C. Mrs. Lydia Smith, aged 16, her mother, Mrs. Lizzie Pittman, 50, and Fulton Pittman, 16, were arrested on charge of slaying a newborn infant in Appalachia mill village, Greer. After crushing the skull of the child and stabbing it in the chest, it is claimed they threw the body in a mill pond. Mrs. Smith gave birth to the child just before her marriage.

DANGER SIGNAL

If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other."

Obtainable everywhere.

A teacher in a lower grade was instructing her pupils in the use of the hyphen. Among the examples given by the children was the word "bird-cage."

"That's right," encouragingly remarked the teacher. "Now, Paul, tell me why we put a hyphen in 'bird-cage'?"

"It's for the bird to sit on," was the startling rejoinder of the youngster.—The Delineator.

RHEUMATISM

Physician Believes a Genuine Remedy for the Disease Has Been Found.

Rheuma, the wonderful rheumatism remedy sold by English Drug Company and all druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown off in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in composition from the remedies usually prescribed."—Dr. Lyons.

This should give any sufferer from rheumatism confidence to try Rheuma.

The Ukulele.

The Hawaiian musical instrument, which has attained considerable popularity in the United States in the last year or two, was first produced by a Portuguese at Honolulu and it at once made a hit with the natives. It is made chiefly from a native wood known as koa wood. The peculiar tone is obtained only when well-seasoned wood is used, properly prepared and fitted. In the islands the instruments sell at from \$3.75 to \$20 each, according to quality and decoration. In the past year the monthly production of instruments has about trebled, that for September amounting to 1,600. A company was recently organized at Honolulu to manufacture 2,000 ukuleles a month; it is estimated that the total output in coming year will be about 40,000.
