# Ford

THE UNIVERSAL CAR

World-wide distribution and the continually growing demand for Ford cars are the best proofs of Ford value. Ford cars are utilities—they are positive necessities—for they have revolutionized modern business, brought country and city together, and opened up new life to the family. The Ford car has become a necessary part of everyday life.

Touring Car \$360, Runabout \$345, Sedan \$645, Town Car \$595, Coupelet \$505—all f. o. b. Detroit.

## MR. STACY LOSES MEDAL.

Sneaks Cut Harness—Other Interesting Items at the Fair.  
Correspondence of The Journal.

Indian Trail, Aug. 8.—Miss Maud Hixson of Charlotte has been visiting friends and relatives here recently.

Mr. Bruce Boger of Unionville was the guest of "Fairness" Sunday.

The visitors from Winston-Salem are Mrs. J. W. Roberts, Misses Mamie Dixon and Dorothy Roberts, and Messrs. Edwin and Teddie Roberts.

We noticed Mr. Stacy Orr, the sub-carrier, was walking and leading his horse. We thought at first that the horse was sick, but learned that he was looking for his gold medal that he lost the day before. Mr. Orr had a runaway over twelve months ago and lost his medal some where on this route. Some of his best girls found it for him then. We do not know whether it was lost in a runaway this time or not.

Miss Annie Duncan is now at home from Winthrop College, Rock Hill, for a few days vacation.

Members of Ebenezer church have made some improvements at that place, preparatory to the protracted meeting which begins Saturday, 11th, at 3 p. m.

A seven day revival meeting will begin at Mill Grove the 12th, at 10 a. m. All members are requested to meet at that hour for Sunday school. Preaching at 11 a. m., 2:30 p. m. and 8:15. Rev. Mr. Fink will do the preaching.

The meeting closed at Union Grove Sunday. Three new converts for Baptism, fifteen penitents for prayer.

The meeting closed at Benton's Cross Roads Friday with five converts for Baptism, one by letter; six additions in all, and eight penitents for prayer.

From one small peach tree forty-eight one-half gallon jars were preserved by Mrs. J. A. Pressley last week, besides baking pies and eating twice that amount. Some fruit from one tree.

Misses Lela, Lula, Flora and Mary Pressley of Unionville spent a week here with friends and relatives.

Mr. and Mrs. Albert Mills have returned to their home in Georgia.

Last Saturday night while Messrs. Will Simpson and Grant Duncan were at church, some one cut their harness so badly that they could not get home until the harness was repaired. This mean act was done while services were in full force at Union Grove.

Messrs. J. C. Foard and Bruce Hartsell had a new buggy whip and a hat stolen from their buggies during the service at Union Grove.

Well, "Wild Rose" and "Farm Boy", may happiness and prosperity attend you, is our wish. Don't give up the news work, but come right along with it.

Mr. J. E. Funderburk has a position at the camps in Charlotte. Several others of this place went to get a job, but were glad to come back when they heard they had to work on Sunday. Six days are all I care about working in a week. Sometimes I shirk off through the week, any way.

Benton's Cross Roads church has recently been repainted.

Mr. Lonnie Byrum of Vance township and Miss Etta Belk of Goose Creek were married July 22nd, at the home of the officiating magistrate, P. C. Stinson. They are keeping house with Mrs. Martha Belk at present.

Misses Ella Beckham and Lela Helms were the guests of Miss Mamie Dixon two days of last week.

Mr. Dewey Yandle found attraction for a short vacation here from the training camp, and the "lassies" of our colony, and other friends, enjoyed his stay here.

All are invited to prayer meeting at Ebenezer Saturday at 8 p. m., also at Union Grove Sunday at 8 p. m.

Dr. Love of Unionville was called to the home of Mr. H. M. Furr Sunday. We understand that Mrs. Furr has fever.

The reunion at Mr. Elias Helms' passed off quietly Saturday. The memorial band rendered music for the occasion.

All who are interested are requested to meet at Emanuel cemetery Saturday, 11th, at 7 o'clock, to clean off the grounds. We desire to finish early in order that we may go to the Baptising at Benton's Cross Roads in the afternoon.

A cow belonging to Mr. J. A. Pressley tried to get out of the pasture one day last week and got fastened on the barbed wire. As the weather was extremely hot, she died while tangled in the wire. The cow was valued at about \$35.—Fairness.

## Regrets That Boys Haven't Found Everything Pleasing.

(From the Wadesboro Ansonian.)

The Ansonian regrets very much that our cousins have not found matters here altogether pleasing. As stated in these columns recently the Anson officers deny emphatically that any effort was made to take advantage in the division of officers, that Union was given an opportunity to name candidates for the positions and failed to do so within the required time. As to the treatment in the quarters, the Ansonian understands that there was a movement to get coverings but that the boys stated that the government's shipment of supplies was expected at any time and that they were getting along very well. The Union boys are a fine lot of fellows and they have conducted themselves as gentlemen here. Anson's members are proud to be associated with them and here's hoping that the very best feelings may continue to exist among them.

## SUMMER COMPLAINT

During the hot weather of the summer months some members of almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One does relieved me. Other members of my family have since used it with like results."

# Now

that the country is officially in the World War, we who wear the khaki of business may well ask what our part will be—what changes, if any, will be made in the regular course of our affairs; shall we do more or less advertising? We believe that advertising is woven into the fabric of modern business and will make its voice heard and its power felt in spite of the tumult and the shouting, and that after the lords and kings depart (speed the day), it will be employed to a greater degree than ever in the work of reconstruction. Therefore, be it known by these presents that we expect to keep it up and that we stand back of all we advertise. We keep the goods to please the people. Our complete line comprising a pleasing variety from the modest low-priced through the medium to the high grade, enjoys correctness of design and construction and finish. To this we add prompt, intelligent and courteous service.  
Welcome one and all.
