

The Bank of Union

Capital \$50,000.00 Surplus \$90,000.00

This Bank has had since its organization, and will continue to have, the following guiding principles:

SAFETY. Safety First. Safety for the bank, and above all, safety for its depositors. The sum of \$90,000.00 has been retained out of the net earnings of the bank as a special and additional fund for the protection of its depositors. This fact puts this bank on the Honor Roll of banks; for very few banks in the United States have set aside this proportion of surplus to capital and it is sufficient evidence to convince the most skeptical that people who deposit with this bank are absolutely safe.

PROGRESS. We are not in the business for a mush room growth. We are, in fact, conservative. Yes, but our object is to be just conservative enough to be able to be truly and safely progressive. We believe in progress along all good lines, and especially progress in civic righteousness. This bank undertakes not only to make a success for itself, but to help on all its customers and friends to better things. Has it done so? The stockholders are not complaining and the number of people this bank has helped over tight and rough places and on to better things must now be counted by the thousands.

COURTESY. It is our purpose not only to safeguard and benefit materially in this world's goods all with whom we deal, but to please and satisfy all our customers to the extent of our utmost patience and ability. To this end, let it be understood that we are always ready and anxious to correct mistakes when convinced that we are in error and we will grant every favor within our power consistent with our duty. If our advice on a business proposition is worth anything, you are welcome to it, and we will take and safely keep your valuables until you call for same, and especially your Liberty Bonds. In short, we are trying to do everything for our customers and the public that any sound bank ought to do, and it is upon this basis that we invite your deposits, your confidence and your friendship.
