Marshville Social News.
Marshville, Aug. 2.—Mrs. C. B. Williams and baby daughter Jean of Due West, S. C., are the guests of the former's sister, Mrs. B. A. Hallman. Misses Mary Marsh and Lillian Stevens spent Friday in Charlotte shopping.

Mr. and Mrs. G. J. Whitener and children leave Tuesday for Lincoln to spend a week or so with relatives. Mr. Fred Ashcraft has purchased the Davis bungalow which was recently bought by Mr. H. B. Marsh.

Mr. Pearce of Wilmington was the guest this week of his cousin, Mr. James P. Marsh.

An announcement of unusual interest was made Saturday afternoon when Mrs. B. A. Hallman entertained for her sister, Mrs. Brice Williams of Due West, S. C., and made known the engagement of her sister-in-law, Miss Bess Hallman, to Mr. Roy Marsh. After a number of rounds of hearts dice the prize was awarded to Mrs. Lee Bailey for highest score. She was given a hand made and hand painted nut bowl. The guests were then invited into the dining room which was aglow with candles. On the round table which was covered with a fillet lace cover over yellow, rested a large white basket filled with golden glow—the handle tied with yellow raffia. A salad course was served and on each plate a dainty hand-painted card bearing this verse:

"The daisy has a secret
But daisies never tell;
So if you would know it,
Guess what these letters spell:
S-R-E-O-B-S-Y.

The guests were not long in finding it spelled "Bess-Roy." On the reverse side was the date Aug. 25. Mrs. J. S. Harrell gave the following toast to "The Bride and Groom":
"May the long, long trail they've hit
Be lit with joy's bright beams,
And bring them at last, in the sunset's glow
To the glorious land of their dreams."

Music was enjoyed throughout the afternoon. The bride-to-be was presented with a pair of black silk shoes. The young couple are well known in this their native home. Miss Hallman was educated at Meredith College and is very musical, possessing a rich contralto voice. She was assistant music teacher in the school here last year. She is very attractive and popular with a number of friends over the state. Mr. Marsh was educated at Wake Forest and has made teaching his profession, being highly successful in his work. At present he is superintendent of the Rutherford schools.

Plans for the wedding will be made public soon. A number of social events are being planned for the bride-to-be.

The Philathea Class of the Baptist church entertained at an elaborate lawn party at the home of Mr. J. F. Hallman Friday evening having as guests the young people of the Baptist church. An interesting program of readings and music was rendered, games were played and delicious refreshments served.

Miss Jean Harrell has returned to Atlanta for a short time.

Mr. and Mrs. Jesse James of Wadesboro spent Sunday here with relatives.

Mrs. Wyatt of Lilesville is the guest of her cousin, Miss Bessie Mae Hallman.

Miss Mabel Toney of Columbia, S. C., who has been the guest of Miss Catherine Bailey for several weeks has returned to her home.

A severe electric storm here Sunday afternoon was accompanied by hail about the size of large marbles. The hail did not continue long, and no damage was done in this immediate vicinity.—Mrs. J. S. H.

HAD TERRIBLE SKIN DISEASE

Little Girl Improves Rapidly When Given ZIRON Iron Tonic.

Many mothers try one remedy after another, for the sufferings of their little ones, without apparently being able to find the right one. If anything seems wrong with the blood, or stomach, or if the child's system is run-down and needs strengthening, you may benefit by the experience of this Westmoreland, Tenn., mother, Mrs. John F. Angles, who writes:
"My little girl had a terrible skin disease and her stomach was in such a bad condition. Nothing helped her, so we finally started to give her Ziron.
She improved so rapidly from the first bottle, so we have given her two more. She is much better.
Don't try other remedies first! Choose Ziron from the start. It has benefited many people suffering from poor blood, general weakness, loss of appetite and other symptoms which indicate lack of iron in the blood.
