**'POSSUM AND POTATO SONG**

This Time of Year Recalls Popular Melody of Years Ago.

(From the Marshville Home.)  
In addition to the big corn and potato crops, rabbits, 'possums and persimmons are now ripe in Union county, and the moon is right for making kraut and 'simmon beer. This reminds us of a song the boys used to sing at corn shuckings when the writer was a youth. It went something like this: "Bake dat 'possum brown; carve him to de heart. Sweet potatoes in de pan; sweetest eatin'—carve him to de heart."

Thanksgiving Day is the next stop, and while the cotton market is behaving itself in an unbecoming manner, we have the largest corn crop in the history of the country to be thankful for. And then we won't have another presidential campaign under four years.

Corn is not the only agricultural crop that has been produced in abundance in Union county this year. The sweet potato crop seems to be a bumper one, which is responsible for a drop in the price of this particular product from seventy-five cents a peck to seventy-five cents a bushel. The best sign that a farmer intends to reduce his cotton acreage is to see him sowing a bigger acreage in wheat and oats this fall.

The high price of eggs must be reducing the business of dry cleaners; we very seldom see a spotted waistcoat any more.

**Star Finds Lots of Thrills in Motor Truck and in Auto Romance.**

That there are thrills concealed in the prosaic motor truck, as well as in the graceful lines of the racing automobile is proven by Wallace Reid's latest picture, "What's Your Hurry?" which will be on view at the Strand Theatre Monday.

As "Dusty" Rhoades, auto racer, the breezy star wins a speedy tussle on the track, but fails to impress Patrick MacMurran, whom "Dusty" hopes to have as a father-in-law. Pat is the manufacturer of Pakro trucks. "Dusty" tries to demonstrate his worth as publicity man for the Pakro, but only succeeds in getting more deeply "in wrong." However, when a big irrigation dam threatens to yield under the strain of a raging storm and to bring disaster upon the valley below, "Dusty" not only shows his own mettle but also brings Pakro trucks to the fore.

"What's Your Hurry?" is the work of Byron Morgan, who also wrote "The Roaring Road" and "Excuse My Dust." Lois Wilson was never more charming as the leading woman, and Charles Ogle and Clarence Burton are also in the cast. The picture, which is a Paramount, was directed by Sam Wood.

He—If I am detained down town late to-night, don't wait up for me.  
She—I sha'n't; I shall come for you!

WATCHES JUST RECEIVED—A new line Elgins, etc.—McCall.

## \$3 Wheat —and— 20c Cotton

The Western Wheat Growers Association are demanding three dollars per bushel for their wheat. The Southern farmer is selling his cotton for twenty cents and less. If we must have cheap cotton let us have cheap wheat also. If every farmer in Union county will sow enough wheat for his own needs he will not only swat the Wheat Speculator but the Cotton Speculator and Boll Weevil as well. Probably it has not been profitable for some of our farmers to raise wheat but we believe that where wheat is put on good, well prepared soil a few acres would be profitable to any farmer.

In order to encourage the farmer of Union county to sow wheat, valuable prizes are being offered for the best three acre field of wheat. OUR OFFER of \$50 first prize and \$25 second prize for the best 3-acre field of wheat all in one field is open to every farmer of the county with no restrictions as to kind of wheat, kind of soil nor when or how sown.

We have secured some very fine seed wheat which we will distribute among the merchants of Monroe and urge you to take advantage of this opportunity to win one or more of the prizes offered and at the same time make for yourself and family bread for next year.

Whether this is the period of re-adjustment or not, it is certainly the time for everyone to proceed with Caution. The general feeling of lower prices may be realized and again supply and demand may have to be reconed with.
