### SNYDER & GADDEY THE STAR PLAYERS

Their Work was the Feature of Friday's Game With the Shelby High's

FINAL SCORE WAS 21 TO 0

Work of McMurray, the Referee From Shelby, was Severely Criticized by the Monroe Fans

In spite of the assistance of a hand-picked referee named McMurray, Dick Gurley's Shelby high school team took the count Friday afternoon on Roberts Field by a score of 21-0. The work of McMurray was without question the rankest and rawest ever seen on the local field and cost Monroe about 75 yards in penalties. Time and again McMurray either penalized Monroe for imaginary offences or ignored violations of the rules committed by the Shelby team, arousing the ire of the local rooters. He permitted Gurley, Shelby's coach, to come on the field whenever a Shelby player was injured, but penalized Monroe 15 yards when Coach Orton, after having obtained permission from both the umpire and head line-man, went on the field to look after one of his men who had been hurt.

The game was featured by Snyder's 80 yard dash for a touchdown immediately after the start of the game, following a long pass from Williams, and Gaddy's 40 yard run, after intercepting one of Shelby's forward passes, scoring Monroe's second touchdown. Monroe was content to stick to straight football and did not find it necessary to show Shelby any of her pass formations or trick plays. Monroe backs were able to gain consistently through the visitors line. Williams and Snyder being frequently called back of the line when an extra yard or two was needed. Shelby attempted several forward passes, completing but two, and used everything they had in the way of trick plays, but were unable to penetrate Monroe's defense. The Monroe line again played great football holding Shelby's backs inside their ten-yard line for ten successive plunges, finally taking the ball on downs.

Shelby kicked off to Monroe at the 20-yard line. On the first play Williams threw a long pass to Snyder, who sprinted 80 yards to a touchdown, aided by splendid interference from Gaddy. Fairley failed to kick goal. Shelby again kicked off to Fairley, who fumbled on his ten-yard line. Shelby recovering. Fighting with their backs to the wall in the shadow of their own goal posts, Monroe held the plunges of the Shelby backs, who fumbled on their fifth attempt, but recovered, giving them five more chances to cross the line. Again they failed, Monroe taking the ball on downs only a foot from their goal line. Mack Fairley punting out to Monroe's 40-yard line. The visitors failed to gain and fumbled, Monroe recovering. Austin made 33 yards through Shelby's left tackle, Gaddy, Fairley and Lemmond soon accounted for three more first downs, the quarter ending with the ball on Shelby's 20-yard line.

Beginning the second quarter, Lemmond made ten yards off tackle and Gaddy five yards, putting the ball five yards from the visitors goal. Line plunges by Fairley and Snyder failed to score and Shelby took the ball on downs two feet from their goal line, kicking out to Fairley at their 30-yard line. A long pass to M. Fairley gained 20 yards. Wiggs failed to gain. Lemmond makes three yards. Another pass W. Fairley to M. Fairley put the ball one foot from Shelby's goal. W. Fairley going through center for the touchdown. Fairley failed to kick goal. Monroe kicked off to Shelby, who ran the ball back 20 yards. Shelby failed to gain through Monroe's line and tried a forward pass which was intercepted by Gaddy who shook off several tacklers and ran 50 yards for Monroe's third score, Snyder failing to kick goal. Monroe kicked off to Shelby's 30-yard line as the half ended. Score Monroe 18, Shelby 0.

Second half: Shelby kicked off to Monroe on her ten-yard line. Snyder, Lemmond and Fairley make first down. Gaddy and Fairley fail to gain, but Austin breaks through the right side of Shelby's line for 12 yards and another first down. M. Fairley makes three yards, Williams fumbles but recovers, Monroe fails to complete a forward pass and Fairley punts to Shelby on their 40-yard line. Shelby failed to gain through the line, but completes a forward pass for a 20-yard gain. Shelby tries

another pass which Gaddy intercepts and runs back 35 yards before being overtaken. A pass Williams to Snyder gains two yards and Fairley hits tackle for ten yards. Gaddy and Lemmond only makes two yards, but Austin gets through left tackle for ten yards and Fairley picks up five more through center. Here a bad pass to Snyder resulted in a fumble, Shelby recovering. Shelby gains four yards at center but a forward pass is intercepted by Monroe on Shelby's 30 yard line. Monroe penalized 15 yards for Coach Orton coming on the field when Snyder was hurt. A forward pass Fairley to Williams gives Monroe 12 yards, the quarter ending with the ball on Shelby's 30-yard line.

Beginning the fourth quarter another pass, Fairley to Snyder gains 18 yards and makes first down for Monroe. A vicious series of line plunges by the Monroe backs took the ball to the visitor's goal line. W. Fairley going over the last touchdown, Laney missed the goal. Shelby runs back the kickoff 20 yards, but Monroe, with an entirely new lineup, smeared Shelby's attempts to gain and took the ball on a fumble. Monroe makes firstdown on line plays, but Shelby's defense stiffened and Coble attempted a dropkick, the ball going out of bounds on Shelby's five-yard line. Shelby could make no impression on Monroe's line and kicked to Presson on their own 40-yard line. A forward pass, Presson to Cason, makes 20 yards, but Cason fumbled and Shelby recovered the ball on their own 25-yard line. Cason throws Connor for a three-yard loss on the last play of the game.

Final score Monroe 21, Shelby 0.

Referee: McMurray, N. C. State; umpire, Hasty, Carolina; headlinesman, Morrow, Fishburne. Time of quarters, 12 minutes each.

According to cards mailed by the management of the Charlotte high school team announcing their schedule, Charlotte has a game for November 23rd, with either Greensboro, C. U. S. or Monroe. Graduate Manager Morrow wishes to announce that no game has as yet been arranged with Charlotte for November 23rd, or any other date and that no game can be arranged for the month of November until the committee in charge of the championship series at Chapel Hill calls a meeting of the representatives of the teams in the Western part of the State for the purpose of framing a schedule. When Mr. Morrow made an effort to get a game with Charlotte early in the season and wrote them submitting dates and terms, they did not even extend him the courtesy of answering his letter—and nothing further has been heard from them until the receipt of their card announcing their "schedule."

The Shelby backfield has been credited with having considerable punch, but they failed miserably to carry the ball over Monroe's goal line after ten attempts, all from within the ten yard line. The fighting spirit displayed by the Monroe line while stopping the assault of the Shelby backs, was something that will be long remembered by those who were fortunate enough to see it and justifies the belief that our line will come through in fine style in the important championship games.

Frank Williams, who filled Curlee's place at left guard in the Shelby game, shows promise in developing into a first class lineman. He is very aggressive and his fast charging on the defense made all sorts of trouble for the Shelby backs. Williams lack of weight is more than offset by his speed, and his work last Friday earned him a place on the first string.

Gaddy's interference for Snyder when big Frank made his 80 yard dash for a touchdown at the start of the game, was one of the prettiest pieces of work seen on the local field this season. Gaddy cut down one tackler and protected Snyder from others who were coming in fast and made it possible for him to get clear. Sam also showed his heels to Shelby's fastest men when he intercepted one of their passes on the forty yard line and ran for a score in the second quarter.

Shelby was supposed to be proficient in the use of the forward pass, but Gurley's team made a disappointing showing in this important department of the game, completing only two passes out of about ten attempts. The Monroe halfbacks, Gaddy and M. Fairley, had little difficulty in knocking down their passes or intercepting them—Gaddy carrying one over for a touchdown from the forty yard line and running thirty-five yards with another.

Monroe's second team held Shelby safe during the fourth quarter of Friday's game and surprised their friends by their fine showing. These boys have worked faithfully all season, furnishing opposition for the first team and have been anxious to show what they could do in an actual game with an outside team.

### EATING FOR THE DOCTOR

When people buy poor or "cheap" food they are unconsciously eating for the benefit of the doctor. The "cheap" stuff with which they load their stomachs breeds disease in time. Eat for your own benefit by eating food that is beneficial in its action. We have a store full of such food. There would be less stomach trouble in the world today if people were as careful of the food they eat as they are of the clothes that they wear. Most people pass up the "cheap" suit and buy a good one, because they know it is the only kind that will give satisfaction. It is even more essential to pass up "cheap" food and buy something good, for that is the only kind that is conducive to better health. And if this little lecture on foodstuffs has impressed you, come to us for the better kind. We have it at the right price.
