ANNOUNCEMENT

To the Voters of the Thirteenth Judicial District:

I hereby announce my candidacy for the office of Solicitor, subject, however, to the action of Democratic party at the next primary.

If I am nominated, I shall make a vigorous campaign in behalf of my party and its candidates. If elected I shall discharge the duties of the office in an honorable, efficient and conscientious manner and protect the interests of the state and society. I shall, also, see that every defendant gets a "square deal." I shall prosecute, but I will never persecute. I shall make a fair and impartial prosecuting attorney and know nothing in my work but to do my full duty.

I shall make no fake promises to influence voters to support me. I will not "camouflage."

Upon this platform I ask your support.

Sincerely yours, GILBERT H. RUSSELL, Laurinburg, N. C.

Endorsements of G. H. Russell, Democratic Candidate for Solicitor

Board of Education, Scotland County Office of Superintendent

Laurinburg, N. C. We, the members of the Board of Education of Scotland County, having known G. H. Russell for 25 years, during five years of which time he was County Superintendent of Schools of this county, welcome the opportunity to endorse his candidacy for the Solicitorship of this District. We feel that the progress of the schools in this county is due as much to his efforts as to any other one man. His enthusiastic public spirit while superintendent was contagious, and the movements he started are still gathering momentum. Absolutely unselfish, he has never spared himself, his talents nor money where a public cause was concerned. We still rely on his professional advice, both pedagogical and legal, even though other public service has called him from this office. So it gives us pleasure, personally and officially, to say we believe in G. H. Russell.

J. T. BOSTICK, Chairman Scotland Co. School Board.

W. G. SHAW, W. N. MCKENZIE, L. M. PEELE, Secretary Scotland County School Board and Supt. County Schools.

Laurinburg, N. C. To the Democratic Voters of the Thirteenth Judicial District:

We, the undersigned members of the Scotland County Bar, commend the candidacy of Mr. Gilbert H. Russell, of Scotland County, in the Democratic primary to be held next June for the nomination as the Democratic candidate for Solicitor of the Thirteenth Judicial District.

We have known Mr. Russell well for many years as man, citizen and lawyer. We know him to be a man of exemplary character and a citizen who has always taken a lively interest in all public questions affecting the life of the community and who has contributed great assistance to the cause of righteousness and good government. He has, in the past, served the public in a very able and acceptable manner as County Superintendent of Schools and as Register of Deeds of Scotland County for several terms. He ranks high in the profession and is an able, painstaking, forceful and fearless lawyer. He has always been a loyal member of the Democratic party and has helped to win many hard fought battles for the party's ideals. If he is nominated we know he will wage a valiant fight for the party's success in the district and if elected will make a forceful, faithful and very useful public servant.

Respectfully, WALTER H. NEAL, Chairman Democratic County Executive Committee.

E. H. GIBSON, GEO. T. GOODWYN, County Prosecuting Attorney, W. H. WEATHERSPOON, County Attorney.

ROBERT N. PAGE ENDORSES RUSSELL

Notwithstanding the very small amount of interest manifested by the voters of the county as touching the selection of candidates for the various offices to be chosen in the June primaries, a number of voters have asked me about the several aspirants for the office of Solicitor for this Judicial District. There are few more important offices to be filled than this, and it is a healthy state of public mind if there is real interest in the selection of the most competent person available for this place.

The proper enforcement of our criminal law is largely in the hands of this officer, and those who favor law enforcement, and believe in punishment for its violation should use their vote and influence to select one who will without fear or favor prosecute the criminal docket.

Without any criticism of any of the several gentlemen seeking the nomination, I believe the best interests of the law-abiding people of the counties comprising the district will be served by the selection of Mr. Gilbert H. Russell, of Scotland county for this place. Mr. Russell is a young man of mature age, by which I mean that, while he is past fifty in experience he is still a vigorous personality. He is an experienced lawyer, and with it all a warm-hearted gentleman who, while doing his best to uphold the majesty of the law, would not be unjust to the person he was prosecuting for its violation. I un-

hesitatingly commend his candidacy to the favorable consideration of my friends in the district. R. N. PAGE.

ANNOUNCEMENT

To the voters of the Thirteenth Judicial District of North Carolina:

I am a candidate for Solicitor of the Thirteenth Judicial District, subject, however, to the action of the Democratic party and its primary to be held on June 3rd.

If I am nominated I shall do all in my power to uphold the standards of Democracy in behalf of my party and its candidates. If elected I shall not be solicitor of a class, but of all the citizenship of the district, and shall discharge the duties of the office to the best of my ability, thereby doing everything in my power to protect the best interests of the state and society.

Upon this platform I ask the support of the voters of the Democratic party on June 3rd, 1922.

Sincerely yours, F. DONALD PHILLIPS, Rockingham, N. C.

S. S. Richardson Endorses F. D. Phillips for Solicitor

I am not a politician, nor have I ever asked for an office—only a private in the rear ranks. I have almost served out my allotted time—three score and ten years. Have lived through three wars, the Civil war, Spanish-American and the World war. I had two brothers in the Civil war and lost both of them. I have voted for Confederate veterans for office for almost fifty years. I felt that I owed it to them for service rendered in the "Lost Cause." I had three sons in the World war. One son enjoying a splendid law practice, yet above the draft age, answered the call of country, lost his health in camp, died and is now sleeping in an American uniform.

When our boys were called into service we went with them to the trains and promised them our all when they returned. They went. Those who were not left on the battle fields of Europe returned—many of them wounded. What have we done for them. How have we rewarded them. Four good men are running for solicitor in this district. Three of them I have never seen. For a moment let's examine their records. Where was G. H. Russell in 1917-18-19? At home gathering in the golden sheaves of the greatest harvest of his life. Where was A. A. Tarlton in 1917-18-19? At home enjoying the greatest wave of prosperity this country has ever seen. Where was M. W. Nash in 1917-18-19? At home living easy, when this land was flowing freely with milk and honey. Where was F. D. Phillips in the stormy days of 1917-18-19? In the trenches of the battle fields of Europe wading in blood—facing shot and shell for his board and clothes that this country might be made safe for democracy. He returned a wounded soldier—just in time to see the last cloud of prosperity pass by.

While I have never met F. D. Phillips, yet as an appreciation of his service to his country I shall cast my vote for him for solicitor of this district.

I appeal to the men and women of Union county to go to the polls on June 3rd and cast your ballots for F. D. Phillips for solicitor—the soldier boy.

S. S. RICHARDSON, Monroe, N. C., Route 5, April 29th.

To the Voters of the Thirteenth District:

Since I have gone to the expense and trouble of getting up the facts and figures that prove to the taxpayers of the district that the Solicitors are getting entirely too much fees, my opponent, Mr. M. W. Nash, seems to be trying to ride in on my platform by publishing and flooding the district with a letter stating that "he thinks the solicitors should be paid a salary by the state and that the tax-payers of the counties should not have to pay any taxes for these fees, and that as a member of the last legislature he endeavored to have this done." I hereby challenge Mr. Nash to show me between the lids of the Senate Journal where he said one word or did anything towards changing the present fee bill. I am in favor of solicitors being paid by the criminals that are convicted, either out of their pockets or by the services on the county roads, and not by the honest tax-payers of the several counties.

Respectfully, A. A. TARLTON.
