MARRY NOT FOR LOVE SAYS MENTAL EXPERT

In the opinion of the alienist, one should not consider marriage simply because he is in love. Let him wait. He can love again, perhaps even

more deeply.

Marriages of persons of the same general temperament should be prevented, he contends, even though all other factors in the union are favorable. The alliance is likely to bring forth children who either will die young or will develop insanity, he

When marriage develops from love, or the sex allure alone, insanity is lurking at the bend of the road, says Dr. Main. Soon each begins to see faults in the other. Marriage was not the roseate high road as pictured in the movies. The wife begins to nag at trifles, setting the husband, in many instances, crazy. Or the husband becomes a tyrant, holding the home in pompous contempt, frightening the children and shattering the nervous system of the wife.

Dr. Main does not expound the theory that unhappy marriage in itself is a cause of insanity. Only when the mind is unstable can men-tal disease result. However, he asks, what percentage of the world's peo-ple, have perfectly stable, normal

"Here is a problem which has faced humanity for generations, and will probably continue," the doctor says. "I believe the solution lies in says. "I believe the solution lies in plain, straight-from-the-shoulder talk to youngsters. Children-must no longer be told 'fairy tales' because the truth is either 'too vulgar' or 'too sacred to discuss. They must be divorced from the idea that marriage is founded on love alone, yet they must know that the relationship between man and wife is so intimate.

Mrs. J. L. Montgomery had to kill his fine milk cow that got her leg broke a few days ago.

ed gladly.
"In short, teach sex hygiene in connection with social and mental hy-giene, and there will be fewer mar-riages for love, and fewer patients in the psychopatic wards."

Better far, concludes Dr. Main, to marry frankly for money or prestige than to satisfy a whim that one is "head over heels in love."

SOOOOK Frequent

"I suffered with chronic constipation that would bring on very severe headaches," says Mrs. Stephen H. Kincer, of R. F. D. I. Cripple Creek, Va. "I tried different medicines and did not get relief. The headaches became very frequent. I heard of

Thedford's

and took it for a headache, and the relief was very quick, and it was so long before I had another headache. Now I just keep the Black-Draught, and don't let myself get in that condition."

condition."

Thedford's Black-Draught (purely vegetable) has been found to relieve constipation, and by stimulating the action of the liver, when it is torpid, helps to drive many poisons out of your system. Billousness, indigestion, headache, and similar troubles are often relieved in this way. It is the natural way. Be natural! Try Black-Draught. Sold everywhere. *>X*X*X*X*X*X

"Before a man and a maid take the marriage vows, each should have a full understanding of the marital relations," he asserts.
