#### Turkey Trot, Texas Squirm Bunny Hug and Arizona Glide all but Provoke Civil War.

Some of the Louisville Ky., leading club women, six prominent ministers and a score of social welfare workers have announced they would open a systematic campaign against exclusive society's indulgence of free and easy dances. The turkey trot, Texas squirm, bunny hug, and Arizona glide have all but provoked civil war in the ranks of Louisville's smart set. Many of the conservative matrons, fond of the sweethearts have entered the "anti-trotter" lists and have declared war against those who openly assert they "cannot see the harm of the dances" under fire.

#### Drives Off A Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes it has kept him from having pneumonia three or four times," writes Mrs. George W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cts. and \$1.00. Trial bottle free at Mebane Drug Co.

Our great thoughts, our great affections, the truths of our life, never leave us. Surely they can not separate from our consciousness, shall follow it whithersoever that shall go, and are of their nature divine and immortal.—Thackeray.

#### Famous Stage Beauties

Look with horror on Skin Eruptions, Blisters, Sores or Pimples. They don't have them, nor will any one, who uses Bucklen's Arnica Salve. It glorifies the face. Eczema or Salt Rheum vanish before it. It cures sore lips, chapped hands, chilblains; heals burns, cuts and bruises. Unequaled for piles. Only 25c at Mebane Drug Co.

#### Banana a Curiosity.

A peculiar fact about the banana is that no insect will attack it, and another is that it is absolutely immune from the diseases that fruits are subject to. It is one of the "hostilities" of the vegetable kingdom.
