

# Paint Keeps the Home Bright

A LITTLE paint here, a touch of enamel there, a brushful of varnish yonder—everyone can see a dozen or more such opportunities for brightening and beautifying the home.

Perhaps it's the outside of the house that needs protection from the ravages of the weather; perhaps it's a chair, or dresser, the floor or woodwork that has become worn and shabby, or perhaps it's the family carriage, the farm wagon or the lawn swing that has ceased to be a source of pride.

NELSON-COOPER-LUMBER AND FURNITURE COMPANY

No matter what it is that has become marred and unsightly from age and wear, there's an Acme Quality paint, enamel, stain or varnish that will exactly fit the need. We are agents in this vicinity for

## ACME QUALITY PAINTS AND FINISHES

—the most scientifically prepared, the most satisfactory in appearance and wear, made in the largest paint and varnish plant in the world. Simply tell us what you want to do, ask for the proper Acme Quality goods for that purpose and you are sure to get the best that can be made.

The Acme Quality Painting Guide Book tells what Acme Quality Paint, Enamel, Stain, Varnish or Finish to use, how much will be required and how it should be put on. It not only enables you to tell your painter or decorator exactly what you want, but makes it easy for you to refinish the many surfaces about the home that do not require the skill of the expert—the jobs that a painter would not bother with. ### CLAIM LOSS OF BUSINESS.

Say Parcels Post Has Hit Express Companies Hard.

Through loss of business caused by the parcels post and from the threatened reductions in charges proposed by the interstate commerce commission the express companies and railroads will lose this year \$20,000,000 they allege.

Robert E. Hinds, representing the Adams, American, Southern, United States, Wells Fargo and other express companies, made this statement before the commission in his argument against the proposed rates and the classification submitted by the companies.

### Found a Cure for Rheumatism

"I suffered with rheumatism for two years and could not get my right hand to my mouth for that length of time," writes Lee L. Chapman, Mapleton, Iowa. "I suffered terrible pain and could not sleep or lie still at night. Five years ago I began using Chamberlain's Liniment and in two months I was well and have not suffered with rheumatism since." For sale by all Dealers.

### Somewhat Startling.

It is rather startling, of course, to hear that there are already on file in the ten executive departments of the government nearly 150,000 applications for jobs. It is a situation which provides considerable food for thought, as it were. It must be borne in mind that the administration is still young. Every mail of every one of those hapless departments is burdened. President Wilson announced, in a flash of rare wisdom, that he would refer all applications for Federal positions to the several members of the cabinet, and straightway the floodgates were opened. No one has shown the least disposition to lend a helping hand, with several of the cabinet members, notably Secretary McAdoo, crying for quarter.—Greensboro News.

### Pains in the Stomach

If you continually complain of pains in the stomach, your liver or your kidneys are out of order. Neglect may lead to dropsy, kidney trouble, diabetes or Bright's disease. Thousands recommend Electric Bitters as the very best stomach and kidney medicine made. H. T. Alston, of Raleigh, N. C., who suffered with pain in the stomach and back, writes: "My kidneys were deranged and my liver did not work right. I suffered much, but Electric Bitters was recommended and I improved from the first dose. I now feel like a new man." It will improve you, too. Only 50c and \$1.00. Recommended by Mebane Drug Co.

It is not a lucky word, this same impossible; no good comes of those that have it so often in their mouth.—Carlyle.

### Coughs and Consumption

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr. King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O. H. Brown, of Muscadine, Ala., writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr. King's New Discovery, she would not be living to-day." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by Mebane Drug Co.

To love the unlovely, to sympathize with the contrary-minded, to give to the uncharitable, to forgive such as never pity, to be just to men who make iniquity a law, to repay their ceaseless hate with never-ceasing love; none of the noblest attainments of man, and in this he becomes most like God.—Theodore Parker.

### For Burns, Bruises and Sores

The quickest and surest cure for burns, bruises, boils, sores, inflammation and all skin diseases is Bucklen's Arnica Salve. In four days it cured L. H. Hatlin, of Iredell, Tex., of a sore on his ankle which pained him so he could hardly walk. Should be in every house. Only 25c. Recommended by Mebane Drug Co.
