

THE SUPERIORITY OF MORROW & BASON HATS

is clearly demonstrated in our phenomenal sales since spring opened. As Easter was early and we had so many spring styles to display we did not begin to show you all our summer styles. We have therefore the pleasure of inviting you to our Special Display of

Summer Dress and Taylored Hats

Beginning Friday April 18th and continueing through the season—we will add new things each week. With our fifteen years experience as buyers and the help of a Trimmer who has had several years experience in the best millinery store in Richmond and other places we have secured for your inspection the most-up-to-date reasonable priced hats that have ever been shown in this section.

WITH YOUR CONTINUED GOOD-WILL

and patronage we expect to continue under our old motto, "your money's worth of Genuine Fashion in Quality, Quantity, Novelty, Price, Color work and service values in Millinery, Hair, Muslin Underwear and Royal Society Embroideries.

Come in and give us a chance to prove it to you. Very truly,

That a reassessment of property is greatly needed in North Carolina, the Chapel Hill News submits this pointer: A farm of 139 acres five miles of Oxford, was sold Saturday for \$7,970 and the tax books showed that it was only assessed at \$1,970, less than one third the price it sold for. This explains why taxes are high and the State has to borrow money to meet its running expenses.

"When the women who cook the biscuits, broil the steak and spunk the babies call for the balor," says the Houston Post, "they are going to get it." Sure! But are they calling for it? If so, the call has not been voiced in a tone above the merest whisper.—Va. Pilot.

You Know Us

We are in business right here where you live. You are an acquaintance, neighbor or a friend of ours. This money-back-if-not-satisfied offer should prove the sincerity of our claims.

When we say we believe we have the best laxative and back up our statement with our unqualified promise to return without question or formally the money paid us for it, if it does not prove entirely satisfactory to you, we believe we are entitled to your confidence.

Our business success and prestige depend upon your confidence in us. We know we must secure and hold your confidence in order to get and keep your patronage. Therefore, we would not dare make this offer if we were not positively certain that we can prove our claims for

ReXall Orderlies

Our experience with them and the many reports we have received from those who have used them, prove that they are really the most pleasing and satisfactory bowel remedy we know of. ReXall Orderlies taste like candy. They are soothing and easy in action. They don't cause griping, nausea, purging or excessive looseness, as do the usual Physic or Laxative. ReXall Orderlies seem to act as a tonic-strengthening upon the nerves and muscles of the bowels. They promptly

relieve constipation. They act to overcome the cause of constipation. They tend to eliminate the cause of sick headache, biliousness, bad breath, nervousness and other ills attendant upon inactive bowels.

Make Us Prove This

We want you to come to our store and get a package of ReXall Orderlies. Use a few or use up the entire box. Then, if you are not entirely satisfied, come back and tell us and we will promptly return the money you paid us for them.

You promise nothing—you sign nothing—you obligate yourself to us in no way whatever. We accept your mere word.

Don't you now believe that ReXall Orderlies are worthy of a trial? Could any offer be more fair?

Try Them at Our Risk

We particularly recommend ReXall Orderlies for children, aged persons and for delicate people. ReXall Orderlies come in neat pocket tin boxes. 12 tablets, 10c; 36 tablets, 25c; 80 tablets, 50c. Usual dose one tablet.

CAUTION: Please bear in mind that ReXall Orderlies are not sold by all drug stores. You can buy ReXall Orderlies only at The ReXall Store.

ATLANTA OFFICE

Carolina To The Front

Certainly North Carolina has reason to be gratified at the conspicuous posts assigned her sons under the new administration of Federal affairs. The Tar Heel press may well crow, not only of the quantity of the representation accorded, but also at the quality of it. There is Daniels at the head of the Navy; Houston, a native of Union county, Secretary of Agriculture, Walter H. Page, of Cary, Ambassador to Great Britain; Senators Simmons and Overman holding two of the most important chairmanships in the Senate; and Victor Blue and Rupert Blue, "born to the soil," Chief of the Naval Bureau of Navigation and Surgeon-General, respectively. It is a long list and a strong one.—Vr. Pilot.
