OUR MOTTO.

"We will speak out; we will be heard
Though all earth's systems crack;
We will not bate a single word
Nor take a letter back.
We speak the truth and what care we
For hissing and for scorn,
While some faint gleanings we can see
Of freedom's coming morn?
Let liars fear, let cowards shrink,
Let traitors turn away;
Whatever we have dared to think
That dared we also say."

Governor Kitchin is not so popular as he was a few weeks ago.

Of course Roosevelt will be elected President in 1912. Mark our prediction.

The Record doesn't mean to be boastful when it claims a larger circulation than both the other county papers combined.

One of our subscribers on R. 2 stopped their paper because it had a cross mark opposite the name. And thus we grow weaker and wiser.

The people are getting more in dependent every year, and the men who are elected in the future must be good, honest citizens, no matter what party they belong to.

After an all night session, the Maryland senate early Saturday adopted the Diggs bill prohibiting negroes from voting in city, town or State elections by strict party vote.

The Cornelius News reports prospects for a good blackberry crop as being fine. Sure, brother. If they should fail, what would become of the editors, with meat at 25 cents a pound?

Those fellows who are thinking of running for office, would do well to place their announcement in The Record, let them be either democrats or republicans, almost everybody reads The Record.

There is no reason why the town of Mocksville should not build up. We have a good climate, good building sites and good people. Let's organize a Chamber of Commerce and let outsiders know what we have to offer them.

The audience which it was believed ex-President Roosevelt would have with the Pope on Thursday next, will not occur, owing to conditions which the vatican has imposed, and which Mr. Roosevelt refuses to accept.

The Mocksville correspondent of the Coolemees Journal says that if he were running for office it would be at the head of the good old democratic party, and not in the blackberry patch alone, as we are doing. That being the case, he would stand as much chance of being elected as Pat stood in the army. The blackberry patches in Davie county have got the democratic party beat to a frazzle.

Fork Church News.

The school at the Academy has opened up right well since the free school closed Easter. I think the enrollment is between thirty-five and forty and still coming in.

We are sorry to chronicle the death of our young friend Denis Cope. He was the younger son of Mr. and Mrs. S. J. Cope. After a long struggle for life with that dread disease pneumonia, on last Tuesday eve about one o'clock the Death Angel claimed his victim. Wednesday evening at two o'clock after an appropriate burial service held by the pastor, W. R. Davis, he was laid to rest in the Fork Cemetery to await the morn when great Trumpet to wake those that

sleep in the grave. He was a young man of promise, about twenty years of age. He leaves father, mother and two brothers to mourn their loss. We extend our heart felt sympathy to the bereaved ones. May they look to the great Comforter who is able to heal all our wounds and who doeth all things well, without mistake.

Mrs. J. E. Alderman, of Greensboro, visited her father, Mr. A. M. Garwood, some time ago.

The children, relatives and friends had intended to give Grandma Foster, as we all call her, a birthday dinner, it being her 88 birthday, but owing to inclement weather it was postponed. But on Saturday, April 2nd, it being the 66 anniversary of her wedding day, the children, grand children, great grand children and relatives assembled at the old homestead of the late Samuel Foster with well filled baskets and at high noon a table was prepared out in the yard and was soon laden to its utmost capacity with all the good meats, both haired and feathered, pies, cakes and pickles, such as only the good women of Davie are capable of preparing. Well I just tell you it was more than a poor hungry fellow like me could stand. But after fixing Grandma a little table on the piazza and loading it with such things as she desired. She was seated to it and the word was given that dinner was ready; then about forty-five hungry souls feasted to hearts content, but in no wise did they exhaust the burdened table. Well after dinner we lingered around in pleasant conversation one with another until about four o'clock in the evening when we were collected together in the parlor and with the organ and their sweet vocal voices they made the air trend with sweet music, after which Bro. T. J. Caudell stepped to the front with bible in hand and read some scripture with appropriate remarks for the occasion, then bowed in a solemn and fervent prayer to the great Giver of all good gifts, after which the crowd began to reluctantly disperse by greeting Grandma good bye and wishing her many more such occasions, which she seemed to enjoy so much.

Stomach Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale-people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach. A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of KNOWN COMPOSITION, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

The Davie Record, The Toledo Blade and The Yellow Jacket all three papers one year for only one dollar.

FOR BREAKFAST

You cannot find a better place to get something that will please your appetite. Knowing from experience it is hard to suit your taste in the early spring, I have laid in a good line of "Spring Appetizers," such as Armour's line of Bacon, Star Hams, Dried Beef Hams, Kellogg's Toasted Corn Flakes, Post Toasties, the famous Shredded Whole Wheat Biscuits, Quaker Oats, Karo—the corn Syrup with caue flavor, Hecker's Buckwheat Flour to go with it. There are many other articles too numerous to mention, but "call and see"
